

FRIDLEY CITY CODE
CHAPTER 125. MASSAGE THERAPY BUSINESSES AND MASSAGE THERAPISTS
(Ref. 745, 757, 967, 969, 1035, 1356, 1375)

125.01. PURPOSE AND FINDINGS

1. Purpose. The purpose of this chapter of the city code is to prohibit the operation of massage businesses and the offering of massage services to the public except by those licensed as massage therapy businesses and massage therapists pursuant to this chapter. The licensing regulations prescribed herein are necessary in order to protect legitimate businesses, to prevent criminal activity, and to protect the health and welfare of the community. The purpose of this section is not to impose restrictions or limitations on the freedom of protected speech or expression.

2. Findings of the City Council. The city council makes the following findings regarding the need to license massage therapy businesses and massage therapists and to prohibit all other types of massage businesses and services to the public:
 - A. Persons who have bona fide and standardized training in therapeutic massage, health, and hygiene can provide a legitimate and necessary service to the general public.

 - B. Health and sanitation regulations governing massage therapy businesses and therapists can minimize the risk of the spread of communicable diseases and can promote overall health and sanitation.

 - C. Establishing license qualifications for massage therapy businesses and therapists can minimize the risk that such businesses and persons will facilitate prostitution and other criminal activity in the community.

 - D. Massage therapy businesses which employ persons with no specialized and standardized training can tax law enforcement services because such businesses are more likely to be operated as fronts for prostitution and other criminal activity than operations established by persons with standardized training.

 - E. The training of professional massage therapists at accredited institutions is an important means of ensuring the fullest measure of protecting the public health, safety, and welfare.
