That the Zoning Administrator is directed to change the official zoning map to show said tract or area to be rezoned from Zone District C-2 (General Business) to S-2 (Redevelopment District).

**D215: Ordinance No. 1308, Adopted November 4, 2013**

**SECTION 1.** Appendix D of the Fridley City Code is amended hereinafter as indicated, and is hereby subject to the stipulations as shown in Exhibit 1.

**SECTION 2.** The tract or area within the County of Anoka and the City of Fridley and described as:

3. City engineering staff to review and approve grading, drainage and utility plans prior to issuance of building permit for each phase or building.

This means that while there may be a modification in shape and size of buildings in each phase, the overall phase shall not deviate from the Master Plan square foot dimension by more than 10%. Any changes that deviate by greater than 10% shall be reviewed and approved by the Planning Commission and City Council.
11. Each phase should generally comply with the most similar zoning district performance standards. (ie. Light industrial phases shall generally comply with M-1, Light Industrial performance standards).
12. An increase in overall square footage beyond 1,839,220 sq ft will require further AUAR review.
