

STUDENT *ELECTION JUDGES*

for 2020 Elections

Student Election Judges learn every function of a polling place, including opening and closing the polls, registering voters, assisting voters with different visual and hearing abilities, explaining how to mark ballots and more.

Be a valuable asset to your polling place on Election Day! Represent your community and see the democratic process in action by applying to be an election judge.

There are three Election Days in 2020:

March 3 | August 11 | November 3

Compensation
