

# MAKE A PINWHEEL TO CELEBRATE WIND ENERGY!

## Make an informational pinwheel.

You will need: scissors, a pushpin, and a wooden pencil

1. Decorate the pinwheel template below.
2. Cut out the pinwheel. Then cut along the diagonal, dashed lines.
3. Use the pushpin to poke holes in the center of the pinwheel and in the four corners.
4. Stick the pushpin through each of the corner holes, through the center hole, then into the pencil eraser.
5. Take a picture with your pinwheel and post it on the City's Facebook page
