Locke Playground

Open House

Wednesday, July 29 2020  6-7:30 p.m.

Locke Park Playground Site
Locke Playground Background

• Locke Playground is a part of Locke Park
• Playground will serve Holiday Hills neighborhood and the new Lennar and Pulte Developments
• Displaced in 2018 due to Civic Campus Development
• In 2017, an agreement was reached during public meetings to replace the playground and relocated it on the southeast end of the civic campus development
• Playground Coming Fall of 2020
Locke Playground Online Feedback

• Any community members unable to attend the Locke Playground Open House can provide feedback online until Friday, July 31.
  • If you are attending the Open House in person, please don’t fill out the online survey as we will have them for you at the Open House.

• Please review the following slides with more information about the playground design and then complete the online survey.
  • Survey can be found at surveymonkey.com/r/LockePlayground
  • Please respond by Friday, July 31.

• For questions, please contact the Recreation Division at 763-572-3570.
Please select from one of the following two equipment options for ages 2-5.
Motion 2 to 5 Years

This accessible playstructure packs 16 activities into its compact structure. Kids can climb up the climbers, through the inclined tunnel and among the patterned decks, or settle into the cozy corner complete with a table top for imaginative play. Along the way there are cut-out shapes to peak through, bongos and ring-a-bells to play, and geometric shape-and-fit games.

Minimum area required: 207" x 238" (5.3 x 7.1 m)

Maximum fall height: 30" (0.8 m)

- Compact structure
- Built-in shade
- Available with Sand Table or Flat Play Table
- ADA compliant
- Choose one PicoShield® color
- one polypropylene color and three Thermalert® colors
- Direct bury or Surface Mount

Loft 2 to 5 Years

As young children grow, they become ready for Loft. Handrails lead them up the steps and into a world of imaginary play. With a built-in find-it game, language prompts and learning activities connected to early childhood curriculum goals, lower level clubhouse and so much more, you’ll find plenty of interactive elements to engage developing minds and bodies.
