

# 2019 Street Rehabilitation Project

Construction Update

July 24, 2020

## Current Events:

The City of Fridley awarded the 2019 Street Rehabilitation Project to Park Construction Company of Fridley, MN. We will be scheduling a preconstruction meeting with the contractor for later this month. Following the meeting we will have a more formalized project schedule to share. At this time it is anticipated that the contractor will begin construction in August. Once the project starts residents can anticipate a weekly update during construction.

## Stay Connected:

Given the current pandemic, there will be no hard-copy updates delivered for this project. The City will be posting all project updates and notifications on the 2019 Street Project page at the following location: <https://www.fridleymn.gov/1397/2019-Street-Project>

Residents are encouraged to sign up for email alerts for current updates at <https://www.fridleymn.gov/1354/Projects>

OR, please contact [web-StreetProjects@fridleymn.gov](mailto:web-StreetProjects@fridleymn.gov) and request to be added to the 2019 Street Project mailing list to receive project updates via email.

## Resident Access

Residents will have access to their driveways during construction except when major construction events are occurring on their street. The City and Contractor will collaborate in minimizing the inconvenience to residents during construction. Please keep in mind that this type of construction may generate noise, dust and mud. Generally, it can be a disruption to the neighborhood, but we are working together toward a common goal.

## Worksite Safety

Although it is tempting and interesting to watch, it is very important that residents, including children, remain out of the immediate work zone. Please remember to be safe and drive cautiously wherever you see construction workers, equipment and warning signs.

***If you have an emergency, the City of Fridley's after hours contact is (763) 427-1212.*** This is an Anoka County Dispatch and they will direct your call.

***[www.fridleymn.gov](http://www.fridleymn.gov)***

*The contractor's hours will be from 7:00 a.m. to 7:00 p.m., Monday – Friday. There is potential for occasional work on Saturdays upon City approval. Additionally, the project covers a large area (2 miles). There may be times when you will not see continuous construction activity on your street. The contractor is likely in another area of the project.*

## ***Contact Information:***

*Thank you in advance for your cooperation and patience during the project. The City of Fridley's onsite engineer, **Brandon Brodhag**, can be reached at **(763) 238-8086** if you have any questions, or concerns.*
