Fridley Parks and Recreation and Springbrook Nature Center will now be using a new registration software system called PerfectMind. In order to register in our programs, purchase tickets to our events, or rent a facility, you will need to set up a client account in this new system. Don’t worry, it’s simple and customizable to YOU! Follow these easy steps and you’ll be on your way to natural and recreational fun!

1. Go to www.fridleyparksandrec.perfectmind.com or click on the Register Online button on the city’s website.

2. Make a new account by filling in the fields. Click submit and welcome to your new account.

3. Use the buttons to navigate your new profile. When you are ready to find new program, click on the Schedule button. Find your favorite program and get started today!
Choose the program you want to attend, and click the Register button.

Look, more information. Once you are ready, click Register.

Intuitively move through the booking screens until you get to this payment screen. Fill in the required fields, and you're all set!
