City of Fridley
Income-Qualified Water Efficiency Rebate Application

7071 University Avenue N.E. Fridley, MN 55432
763-572-3554 | FAX: 763-571-1287 | FridleyMN.gov/WaterRebate

Disclaimer: This program will run through April 30, 2028, or until funds are gone. Toilets, dishwashers, and washing machines must be replacement pieces, no new construction. Applications for the Income-Qualified Water Efficiency Rebate Program must be pre-approved prior to the start of work.

NEW REQUIREMENT: Please check the website(s) below based on the type of appliance you plan to purchase to ensure your appliance qualifies for a rebate. There have recently been some changes with various manufacturers pertaining to which of their products are water efficient:

WaterSense:
https://lookforwatersense.epa.gov/products/

ENERGY STAR: https://www.energystar.gov/products/clothes_washers
https://www.energystar.gov/products/dishwashers

Applicant Details:

Property Owner Name: _____

Telephone Number: _____

E-mail: _____

Address: _____

Address where rebate or audit work taking place if different than above:

Address: _____

Total rebate amount requested: _____

Select Rebate Method: ☐ Check ☐ Applied to Water Bill

☐ Attach quote from proposed plumber or a printout/screenshot of proposed appliance replacement including brand, model, and cost.

☐ Attach documentation of Energy Assistance or SNAP enrollments.

Declaration:
I have read and accept the terms and conditions of this agreement and the information contained in this application is truthful and correct to the best of my knowledge. I hereby certify that I am the customer authorized to replace the components listed above, and my components have been recycled or are otherwise legally disposed of and are no longer in service.

Applicant's Signature: X_____ Date:

BY COMPLETING THIS APPLICATION, APPLICANT ACKNOWLEDGES AND CERTIFIES THE FOLLOWING CONDITIONS:

1. If application is approved based on eligibility and available funding, the City of Fridley (City) will pay the Applicant up to $550 for toilets, $1,200 for clothes washers, or $1,200 for dishwashers, not to exceed the total installation amount. If water efficiency funds are also available and/or received from another government agency, the Applicant must report this to the City, and the City will withdraw its cost-share contribution.

2. **Applicant has confirmed their appliance qualifies as water efficient by validating the information using one of the websites mentioned at the beginning of the application.**

3. Rebates are limited to three per property.

4. Only pre-approved applications are eligible.

5. Following the completion of your project, submit final invoice marked as paid or with proof of payment.

6. The Applicant agrees to apply for a plumbing permit from the City of Fridley. Permit cost can be included as part of the grant rebate.

7. The Applicant must complete all work under this agreement and provide receipts before April 30, 2028.

8. Applicant misrepresentation of information on the application will require repayment of grant funds to the City.

9. The Applicant must submit copies of proof of purchase receipts or paid invoices.

10. Payment will be issued once submittal items have been received and the plumbing permit has been closed.

11. All services provided by the Applicant pursuant to this grant shall be performed to the satisfaction of the City, as determined at the sole discretion of the City. The Applicant shall not receive payment, and the City is entitled to deny reimbursement for work found to be unsatisfactory, or performed in violation of federal, state or local law, ordinance, rule or regulation. The total obligation of the City shall not exceed the Grant Amount listed above.

12. The City may revoke an approved application with or without cause by ten (10) days written notice to the Applicant. The Applicant will be entitled to reimbursement according to the terms of the Agreement for qualifying costs incurred up to and including the effective date of the cancellation, for work or services satisfactorily performed.

13. The Applicant agrees to defend and indemnify the City and the Metropolitan Council, its officials, employees, and agents from any and all liability, loss or damage they may suffer as a result of claims, demands, judgments or costs, including reasonable attorney's fees, arising out of or related to Applicant's performance of any work related to this application.

14. Applicant shall be responsible to make payment to the person or persons performing the work and shall not assign or transfer any interests, rights or obligations under this Agreement.

15. No partnership, joint venture, or other relationship is established between the parties under this agreement.

16. Applicant acknowledges that this application and all documentation provided to the City are considered public records and subject to applicable data practice rules.
