# BUDGET ORGANIZATION

## Budget Structure

The 2025 Budget for the City contains the following volumes and supplemental budget documents and/or appendices.

Figure No.1: Budget Structure and Volumes		
Volume No.	Title	Description
I	Budget Overview and Summary	A summary of the overall budget containing a brief history of the organization, demographic and economic trends, organizational structure, budget summaries, major budget assumptions and factors, and analysis and discussion of budget decisions along with a review of fund balances and debt service.  The summary also includes discussion of common budget terms and information about any underlying assumptions as appendices, if needed.
II	Budget Detail and Financial Reports	A detailed review of all budgeted revenues and expenditures, including personnel, materials and supplies. The volume represents the adopted budget for the purposes of budget authority and compliance.
III	Capital Investment Program (CIP)	A summary and detailed review of the various capital budgets and funds of the City including individual project analysis, debt service and other considerations. This volume represents the adopted budget for the purposes of budget authority and compliance for all capital project funds.  Due to its length, the City compiles the Final 2025–2029 CIP as a separate document.
Other	Financial Management Policies	Each volume and/or section of this budget is adopted in compliance with the various financial management policies as adopted by the City Council. For more information on these policies, please contact the Finance Department.

# BUDGET AUTHORITY

The Budget for the City of Fridley, Minnesota (City, Fridley) for the Fiscal Year beginning January 1, 2025, and ending December 31, 2025.

Pursuant to Section 7.04 and 7.05, and other applicable chapters or sections of the City Charter, this document and its associated volumes and appendices shall be considered the estimates as prepared by the City Manager and the complete financial plan for the City for the ensuing fiscal year. This document contains the sums to be raised and from what sources, and the sums to be spent and for what purposes. For the purposes of compliance, these documents, assembled in three volumes, shall be the Adopted 2025 Budget.

With the support of the City Manager and other staff, the City Council reviewed this budget on April 22, July 22, August 26, September 9, September 23, October 28, November 12 and November 25, 2024. The City Council and other applicable officials involved in the development of this budget are listed below.

## Elected Officials

4 Year Terms  
Expiring December

Mayor	Scott J. Lund	2024
Councilmember At-Large	David Ostwald	2024
Councilmember, Ward No. 1	Thomas Tillberry	2026
Councilmember, Ward No. 2	Ryan Evanson	2026
Councilmember, Ward No. 3	Ann R. Bolkcom	2026

## Appointed Officials

City Manager	Walter T. Wysopal
City Attorney, Civil Affairs	Sarah J. Sonsalla
City Attorney, Criminal Affairs	City of Coon Rapids
City Clerk	Melissa M. Moore

## Department Directors

Director of Community Development	Scott J. Hickok
Director of Parks and Recreation	Michael W. Maher
Director of Employee Resources	Rebecca A. Hellegers
Director of Finance and City Treasurer	Joseph A. Starks
Director of Public Safety and Chief of Police	Ryan N. George
Director of Public Works and City Engineer	James P. Kosluchar

# Volume No. 1

## Budget Overview and Summary

# INTRODUCTION AND BUDGET SUMMARY

---

This section of the 2025 Budget provides information regarding the following budget areas or topics:

- Introduction;
- Budget goals and objectives;
- Budget challenges and issues; and
- Budget-at-a-Glance.

The remainder of this page intentionally left blank.

## **Introduction**

The City of Fridley (City) seeks to provide its residents, businesses and their visitors with a remarkable community. As part of this commitment, the City Council and City Manager strive to provide an organization that meets the expectations and needs of the community through a thoughtful and fiscally responsible annual budget. In order to guide and inform the development of the annual budget, the City relies upon a series of guiding principles and documents, principally the Vision Statement, Organizational Values and the strategic plan, known as Focus on Fridley.

**Vision Statement and Organizational Values.** In 2015, the City Council adopted the following Vision Statement to generally guide the operations, programs and projects of the City. The City Council reaffirmed this Vision Statement in 2019: *We believe Fridley will be a safe, vibrant, friendly and stable home for families and businesses.*

The City Council also established three primary Organizational Values to guide the behaviors and culture of the organization. In all things, the City shall be: *Friendly, Responsive and Driven*. These values are always at the center of any discussion about changes in the budget. In fact, any major budget adjustment or request submitted by the City Manager identifies the Organizational Value(s) enhanced by the change.

**Focus of Fridley.** More specifically, in 2019, the City Council, through two strategic planning workshops, discussed their ideas and thoughts for the City over the next several years. Using these discussions, the City Council eventually compiled a strategic plan, known as Focus on Fridley. Along with several specific projects, the City Council identified five strategic goals or "focus areas" to guide other City initiatives and programs. In no particular order, these Focus Areas are:

- Community Identity and Relationship Building;
- Public Safety and Environmental Stewardship;
- Vibrant Neighborhoods and Places;
- Financial Stability and Commercial Prosperity; and
- Organizational Excellence.

These Focus Areas provide guidance throughout the development of the budget and serve as direction for daily activities and expenditures of the organization. Based on previous practices, the City Council may conduct another strategic planning exercise in 2025, which will have a similar impact on the budget development process.

## **Budget Goals and Objectives**

Like other local governments, and consistent with the Guiding Principles outlined above, the City Council continues its effort to provide excellent public services at a fiscally responsible cost to the property tax- and utility rate payers. Under these general goals and objectives, the City Council relies upon a series of specific guidelines to inform the development of the annual budget:

- To fund excellent public services at a fiscally responsible cost
- To stabilize ongoing revenues and expenditures, and minimize/eliminate unanticipated variances;
- To maintain structural balance and appropriate cash and fund balance levels;
- To make the best use of existing City resources;
- To set the levy in conjunction with long-term planning;
- To increase accountability and transparency throughout the budget process; and
- To ensure a conservative budgetary approach.

In addition to these activities, the City also strives to improve the financial awareness and literacy of both internal staff and external stakeholders. As such, the City conducts monthly internal meetings to review key financial data and changes in applicable fiscal policies. Additionally, the City conducts or plans to conduct several community events to improve the understanding of the public with respect to City services and to provide an important avenue for the public to express their critiques, ideas and thoughts regarding City operations, projects and ultimately the budget.

## **Budget Challenges and Issues, Short-Term**

Along with the goals and objectives, the City also actively acknowledges and seeks to address various challenges and issues concerning the financial health of the organization. The City further acknowledges that some of these issues may be beyond its exclusive control. However, the City Council works diligently to limit these and other risks for the City and its stakeholders.

**Personnel Services.** The biggest impact on the 2025 Budget and Levy is personnel services as it encompasses about 78% of the total General Fund expenditures. In the General Fund alone, personnel services expenditures increase about \$1,497,900, or 8.5%, largely due to approved and anticipated market rate increases from negotiations of four Public Safety labor agreements, proposed progression through the City's compensation plan for union and non-union employees, an anticipated worker's compensation premium increase and health insurance premium increase.

**Inflationary Pressures.** Multi-decade high inflation continues to have an impact on the City. The October 2024 inflation rate has generally slowed to 2.6% from a multi-decade high of 9.1% in June 2022. The Federal Reserve has begun decreasing the Federal Funds Rate from a target of 5.25-5.50% at this time last year to a current target of 4.50-4.75%, with further decreases possible. The impact from inflationary pressures on the 2025 Budget is factored in albeit at a lower impact than the last couple of years.

**Park System Improvement Plan.** In 2022, the City issued \$20.7 million in General Obligation Tax Abatement Bonds as a means for financing a majority of the \$30 mil. Park System Improvement Plan (PSIP), with the remaining amount being funded from internal City funds, specifically the Community Investment Fund. The project is estimated to span approximately 8 years. Debt service payments for the bonds were levied beginning in 2023 and will be repaid over 15 years. There was a significant amount of capital expenditures in the Parks Capital Fund beginning in 2023 and continuing for the next several years as the PSIP progresses. For 2025, there is about \$7,325,000 in capital expenditures budgeted for the PSIP.

Additional information related to the Park System Improvement Plan can be found at: [Park System Improvement Plan - City of Fridley](#).

**State Aids and Grants.** The State of Minnesota (State) provides the City with various financial aids to defray the costs of certain activities and programs, including, but not limited to Local Government Aid (LGA), Municipal State Aid (MSA) and Police State Aid. These various funding sources tend to fluctuate based on the financial health of the State and political will of elected State officials. To protect the City and its operations from this volatility, the City has limited the reliance on these types of aid for General Fund revenues. Similar to the Adopted 2024 Budget, the 2025 Budget appropriates approximately 11% of these funding sources, including about 4% from LGA, to the General Fund, satisfying the desire of the City Council.

**Economic Health.** In addition to thoughtfully budgeting State funding sources, the City also actively monitors the statuses of the local, regional, national and international economies. The City remains home to several national and international corporations. In fact, as of assessment year 2024, taxes payable year 2025, commercial and industrial uses account for almost 48% of the property tax base. As such, any downturn in the economy, particularly the manufacturing sector, will have an impact on the City. The City continues efforts to diversify its property tax base through several redevelopment efforts, most notably through the addition of single- and multi-family housing. In fact, between 2016 and 2022, the City added approximately 1,046 units of housing.

The 2025 Budget assumes a period of conservatively modest economic growth while keeping in mind the impacts of inflation and corresponding policy action. As mentioned, inflation has generally slowed, albeit much more prolonged, making the possibility of further federal funds rate decreases a possibility. While federal funds rate decreases can stimulate economic growth, they can have a negative impact on City revenues with lower investment rate earnings. Conservative revenue projections are included in this proposal to align with conservative growth projections of the economy.

## Budget Challenges and Issues, Long-Term

Apart from these short-term considerations, the City must also weigh several long- or longer-term issues and/or goals against the immediate needs of the organization and/or community. Generally, the 2025 Budget successfully balanced these needs and provided an opportunity for the City to either address or move toward addressing these challenges.

**Park System Improvement Plan.** As mentioned above, in 2022, the City issued \$20.7 million in General Obligation Tax Abatement Bonds as a means for financing a majority of the \$30 mil. Park System Improvement Plan (PSIP), with the remaining amount being funded from internal City funds, specifically the Community Investment Fund. The project is estimated to span approximately 8 years. Debt service payments for the bonds were levied beginning in 2023 and repaid over 15 years. There will continue to be a significant amount of capital expenditures in the Parks Capital Fund which began in 2023 and will continue for many years as the PSIP progresses.

Additional information related to the Park System Improvement Plan can be found at <https://www.ci.fridley.mn.us/1412/Park-System-Improvement-Plan>

**Demands for Service.** As the population of the City continues to increase and become more diverse, the City will experience new and greater demands for programs and services. For example, an increasing population will result in a need for more public safety personnel and equipment, and place greater stress on City infrastructure. Understanding these dynamics will be key for ensuring the appropriate use of City resources.

To address this challenge, the City continues to explore various strategies and programs, such as the formation of a continuous improvement effort, known as the Process Management Team, to eliminate waste and improve the efficiency of City services. More specifically, the City constructed a new Fridley Civic Campus, which opened in 2018, to provide the organization with facilities to respond to the increasing demand for City services.

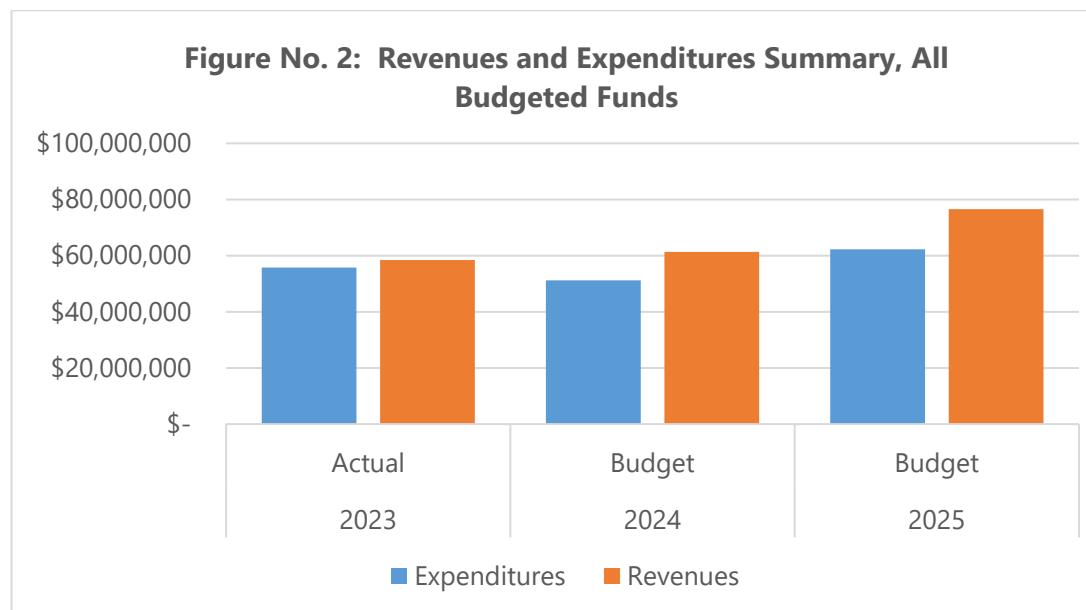

**Organizational Competitiveness.** Like any local government or private business, the City strives to maintain its competitiveness with surrounding communities within a variety of areas, such as local amenities, quality of services, property tax rates and public utility rates. The City regularly reviews the activities and costs-of-living of area municipalities to ensure a strong return on investment for residents and businesses. In addition to these efforts, the City Council and City Manager work diligently to make the City an excellent place to work with competitive pay and benefits to both attract and retain a talented workforce. Additionally, in 2021 and 2022, the City reviewed the Compensation Plan with the assistance of an external consultant. The review included a benchmark market analysis and Compensation Plan design adjustments. The plan was implemented in 2022 with 2022 budget authority. The City will continue to be thoughtful in supporting both competitive wages and property taxes through the thoughtful reallocation of existing financial resources.

The remainder of this page was intentionally left blank.

## Budget-at-a-Glance

The 2025 Budget authorizes up to \$76,588,300 of expenditures for all budgeted funds, an increase of about \$15,227,700, or 24.8% compared to the previous year. Generally, this change reflects a series of budget adjustments among the various budget categories, most notably an increase in capital outlay of \$9,426,000. The majority of this increase relates to the PSIP and the start of the Commons Park Project, funded from the Parks Capital Fund. In addition, the start of the Locke Park Water Treatment Plant (WTP) Upgrades Project, funded from the Water Utility Fund. Other services and charges increase about \$4,309,600, mostly due to design work for the proposed 57<sup>th</sup> Avenue Bridge, which is funded through the Streets Capital Fund with State Bonding. Finally, personnel services expenditures increased \$1,611,400, largely due to approved and anticipated market rate increases from negotiations of four Public Safety labor agreements, proposed progression through the City's compensation plan for union and non-union employees, an anticipated worker's compensation premium increase and health insurance premium increase.

The 2025 Budget supports these expenditures with \$62,286,100 of revenues across all budgeted funds, an increase of about \$11,101,100, or 21.7% compared to the previous year. Primarily, the increase in revenues reflects an increase of \$5,395,300 in intergovernmental revenue, mostly due to state bonding for the design of the 57<sup>th</sup> Avenue Bridge Project and a federal grant for the University Avenue Lighting Improvements Project. Additionally, there is an increase of \$3,447,400 in other financing sources, almost entirely due to loan proceeds for the Locke Park WTP Upgrades Project.

Based on these changes, the 2025 Budget reflects a planned, negative variance of \$14,302,200 across all budgeted funds. To support these costs, the City plans to make use of a variety of internal funding sources, including but not limited to:

- \$9,769,900 of fund balance from various Capital Project Funds (mainly due to projects using the fund balance related to bond proceeds received in 2022 for the Park System Improvement Plan);
- About \$4,375,900 of fund balance from various Enterprise Funds (for capital outlay projects)

Generally, these uses of fund balance support capital projects as outlined in the 2025–2029 Capital Investment Program (CIP). The City typically plans for these capital projects over a series of years, often accruing fund balances specifically to support their extraordinary costs. The City may also support these projects through the use of debt or interfund loans. Simply put, the City planned to use its "savings" for these needs. The table on the previous page outlines the various funding sources and expenditure areas for all budgeted funds between 2023 and the current budget year.

**Summary (Enterprise and Governmental Funds)**

<b>Revenues</b>	<b>2023 Actual</b>	<b>2024 Budget</b>	<b>2025 Budget</b>	<b>2026 Forecast</b>	<b>2027 Forecast</b>

<b>Total Expenditures</b>	<b>\$ 58,435,185</b>	<b>\$ 61,360,600</b>	<b>\$ 76,588,300</b>	<b>\$ 77,553,800</b>	<b>\$ 58,558,900</b>
<b>Net Fund Balance Supported</b>	<b>\$ (2,698,633)</b>	<b>\$ (10,175,600)</b>	<b>\$ (14,302,200)</b>	<b>\$ (14,302,200)</b>	<b>\$ (2,833,100)</b>

**Governmental Funds and Enterprise Funds.** The City maintains two primary sets of funds: 1) governmental funds; and 2) proprietary funds. Governmental funds account for typical government programs and tax-supported operations. For the 2025 Budget, governmental funds comprise approximately 57.4% and 59.7% of all budgeted revenues and expenditures, respectively. In total, the 2025 Budget authorizes governmental fund revenues totaling \$35,770,600 and expenditures totaling \$45,696,900, or an increase of 22.9% and 27.4%, respectively, compared to 2024. These changes may be attributed to an increase capital outlay in 2025. The table on the next page outlines government fund activities between 2023 and the 2027 forecasted year.

In total, the 2025 Budget anticipates a \$9,926,300 use of fund balance in governmental funds. Generally, the use of fund balance may be attributed to the use of \$9,769,900 from various capital project funds, namely \$7,591,200 from the Parks Capital Projects Fund. This is the usage of bond proceeds received in 2022 to pay for costs associated with the approved Park System Improvement Plan (PSIP). These uses of fund balance are the result of long-planned capital projects, as well as bond proceeds received in 2022, and consistent with previous City practices regarding the financing of capital projects. It is important to note that governmental funds include the General, Special Revenue and Capital Projects Funds.

Per the Government Accounting Standard Board, enterprise funds “are employed to report on activities financed primarily by revenues generated by the activities themselves, such as a municipal utility.” At present, the City maintains four such funds to support three public utilities and the municipal liquor enterprise. The table two pages down summarizes these funds between 2023 and the 2027 forecasted year.

For the 2025 Budget, Enterprise funds comprise approximately 42.6% and 40.6% of all budgeted revenues and expenses, respectively. In total, the 2025 Budget authorizes Enterprise fund revenues totaling \$26,515,500, or an increase of about 4,418,700 or 20.0%. Expenses total \$30,891,400, or an increase of about \$5,397,800 or 21.2%, compared to 2024. The changes in expenses are the result of an increase in capital outlay of \$5,533,000 planned for 2025. The increase in revenue is attributed to \$3,300,000 in planned loan proceeds to help fund the Locke Park WTP Upgrades Project and recommended changes in public utility rates.

### Governmental Funds

# ORGANIZATION AND BUDGET OVERVIEW

---

This section of the 2025 Budget provides information regarding the following budget areas or topics:

- Brief history;
- Land use information;
- Demographic and economic trends;
- Organizational governance and structure;
- Financial policies and procedures; and
- Budget assumptions and considerations;
- Property tax levy analysis; and
- Debt service.

The remainder of this page was intentionally left blank.

## Brief History of the City of Fridley

As with most urban areas, the City may trace its initial settlement to its proximity to the Mississippi River and its tributaries, principally Rice Creek. In fact, the original name for the community was Manomin, a variant on an Ojibwe word meaning "wild rice" or "wild river." In the early years, traders used Mississippi River to bring their goods to market. The fur trading route along Mississippi River became known as the Red River Ox Cart Trail, which would later become a military road between Point Douglas and Fort Ripley. The area would become Fridley was a key ferry crossing of the Mississippi River established in 1854. In 1879, the area or township was renamed for one of its early settlers and land holders, Abram Fridley. The military road, now known East River Road, developed into a center of commerce, particularly at the confluence of Rice Creek and the Mississippi River.

In 1949, Fridley Township incorporated as a village, which the community now celebrates during its annual "49er Days" festival. In 1957, the Village of Fridley officially incorporated as a "home rule" municipality and became the fourteenth largest community in the State of Minnesota (State) by 1965, due part to rapid post-World War II expansion. In that same year, the City experienced two natural disasters – a significant flood of the Mississippi River a series of tornadoes on May 6, 1965, which destroyed about one out of every four homes. Despite these events, the community rebuilt and continues to grow to this day.

## Land Use and Development History

Apart from the access to water transportation, the City also enjoyed access to modern conveyances, most notably the St. Paul and Pacific Railroads – the forerunners of the Burlington Northern Santa Fe (BNSF) Railway Company. Additionally, the City maintained access to Minneapolis via two streetcar lines, which allowed people to commute to and from their places of employment. With the development of the interstate highway system, and the conversion of State Highway 100 into Interstate 694, the City enjoyed access to another significant transportation route. As such, other State, Anoka County (Anoka) and local routes developed around Interstate 694, including East River Road, State Trunk Highways 47 (University Avenue) and 65 (Central Avenue).

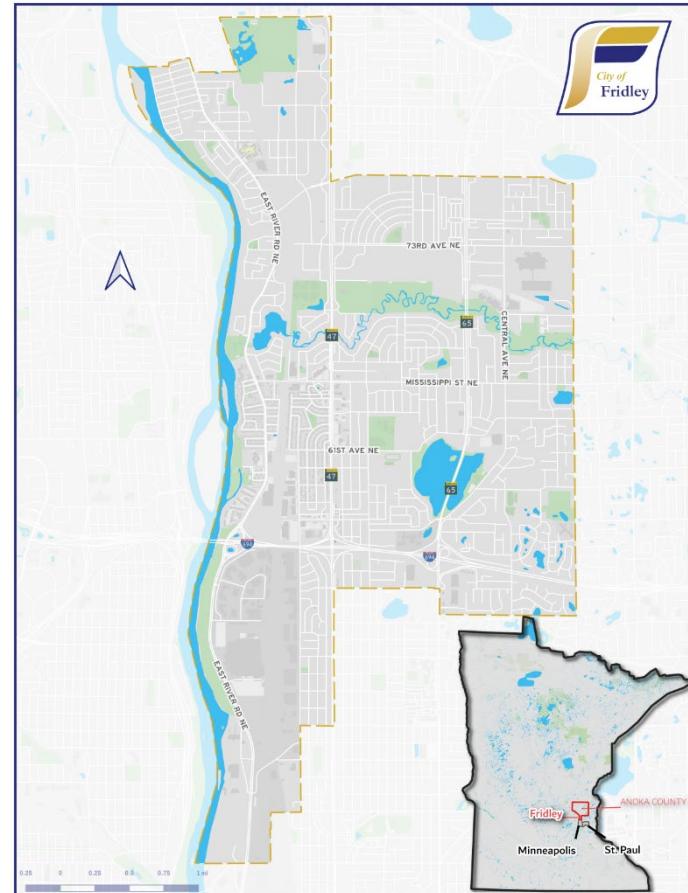

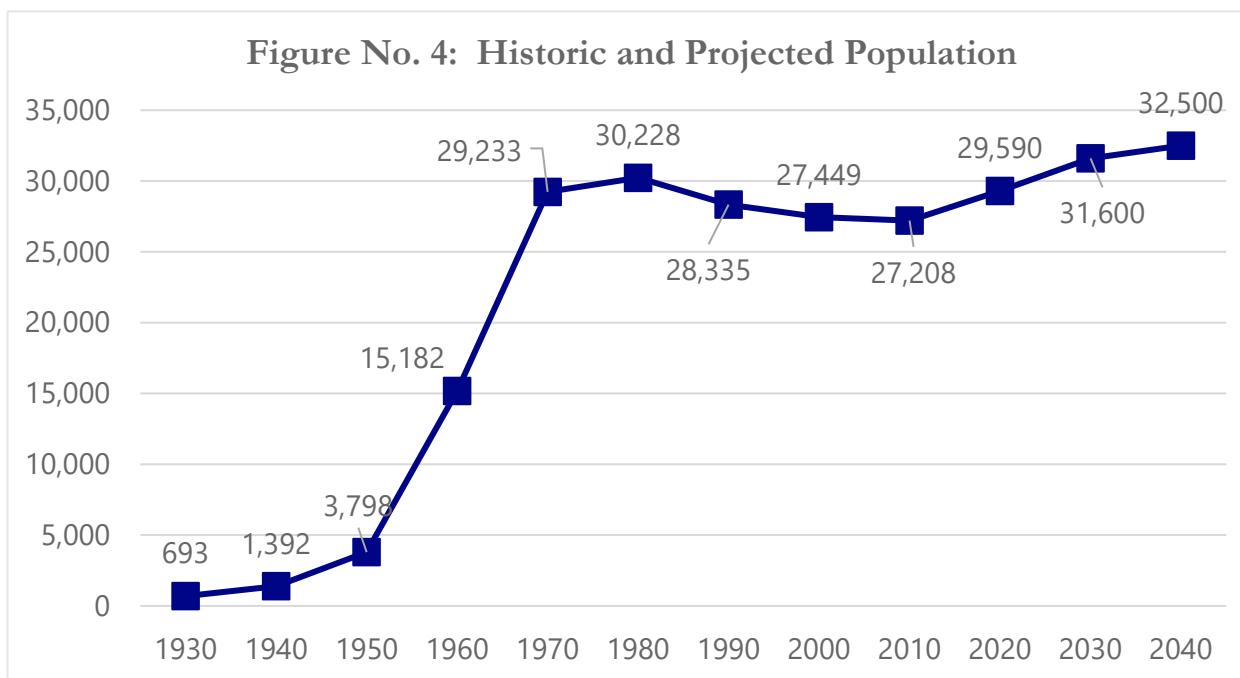

Figure No. 3: Fridley Map

These roadways, combined with a major railway access and many public transportation options, make the City a transportation hub attracting considerable commercial and industrial development. The physical divisions created by these features create other development, infrastructure and planning challenges, which the City still addresses to this day and may be reflected in this budget. At present, the City covers a jurisdiction of approximately 11 square miles. Given the size of the community, and its status as a first-ring suburb, the Metropolitan Council, a regional planning agency, considers the City to be completely developed.

## Demographic and Economic Trends

Following the expansion of transportation infrastructure, and the momentum built from the war-time economy, the City quickly converted from principally agricultural activities and uses to industrial ones. With the location of these significant centers of employment, the City attracted thousands of new residents and rapidly changed into a full-service, fully-developed community. Since 1970, its population has been at or near approximately 28,000 residents. Based on the 2020 Census, the City remains home to about 29,590 people. However, with a planned increase in density, the City projects the population to increase by about 9.8% to 32,500 by 2040.

**Age.** Along with this projected increase, the City anticipates the age of the population to decrease on average in the immediate future. As of 2019 (the latest year of Census data readily available), about 50% of the population remains below the age 35, while about 20% is above the age 60. Between 2017 and 2019, the Median Age for the City decreased from 36.9 years to 35.4 years, respectively. As such, the average age of the population remains below the average for the State. Figure No. 5 outlines the age ranges of the community.

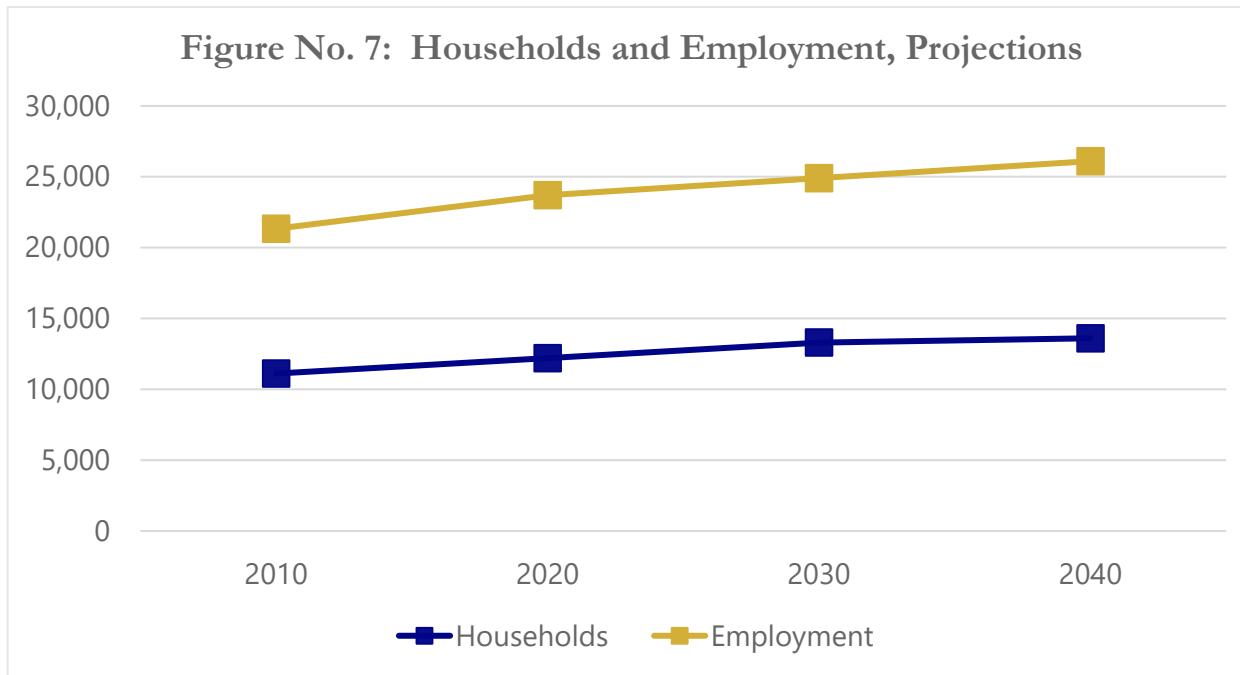

**Race.** While the population of the City continues to decrease in average age, it also continues to become more ethnically and racially diverse. In fact, as of the 2000 Census, nearly 89% of the population identified as white or Caucasian, compared to about 69% in 2019. In that same time period, the fastest growing racial group was those identifying as Black or African American increasing from 3.4% of the population in 2000 to just over 16% in 2019. The City anticipates these trends to continue for the foreseeable future. Figure No. 6 provides a breakdown of the total population by race.

<b>Figure No. 6: Total Population by Race</b>			
<b>Race</b>	<b>2000</b>	<b>2010</b>	<b>2019</b>
White	88.7%	81.9%	68.8%
Black or African American	3.4%	12.4%	16.3%
American Indian/Alaska Native	0.8%	2.4%	1.6%
Asian	3.0%	5.4%	5.6%
Some Other Race	1.2%	0.0%	3.8%
Two or More Races	2.9%	3.0%	3.9%
<b>Total Population</b>	<b>27,449</b>	<b>27,208</b>	<b>29,590*</b>

<b>Figure No. 5: Total Population by Age Group</b>		
<b>Age Range</b>	<b>2010</b>	<b>2019</b>
Under 5 years	5.8%	6.8%
5 to 9 years	6.3%	6.6%
10 to 14 years	7.2%	6.7%
15 to 19 years	7.4%	4.2%
20 to 24 years	7.1%	6.7%
25 to 29 years	6.1%	9.1%
30 to 34 years	4.9%	8.8%
35 to 39 years	8.2%	7.6%
40 to 44 years	7.5%	4.7%
45 to 49 years	7.9%	5.5%
50 to 54 years	6.8%	6.2%
55 to 59 years	5.5%	7.4%
60 to 64 years	5.3%	4.6%
65 to 69 years	4.7%	4.6%
70 to 74 years	3.4%	3.7%
75 to 79 years	2.4%	3.1%
80 to 84 years	2.2%	2.2%
85 years and over	1.2%	1.5%
<b>Total Population</b>	<b>27,208</b>	<b>29,590*</b>

**Income.** Generally, the City hosts a disproportionate number of commercial and manufacturing industries and their associated jobs. As a result, the City maintained a median household income of about \$63,800 in 2019, which remains below the median household income for both the County and State. The community also maintains a poverty rate of approximately 9.6%, which compared negatively to the County (5.9%), but positively with the national trend (13.4%).

Despite being one of the geographically smaller communities in the area, the City hosts the greatest number of employees in the County and anticipates this trend to continue for the foreseeable future. In fact, the Metropolitan Council projects an increase in the number of employees and households like those mentioned above for population. Figure No. 7 below details these long-term projections.

Source: Thrive MSP 2040 - Forecasts as of January 1, 2021

These and other factors inform the development, review and adoption of the annual budget. Additionally, the City maintains a series of community indicators and performance measurements, which capture and measure the happenings of City operations and community trends. They are compiled as a separate Performance Measures Report adopted annually by the City Council. For more information on these performance measures, please see Volume 2 of this document and/or visit the City website.

## **Organizational Governance and Structure**

Generally, the budget and/or policy development process involves the City Council, City Manager and the respective Advisory Commission, if applicable. The City Charter and Fridley City Code (City Code) outlines the expectations and responsibilities for each party. Along with these actors, the budget and policy development process also include the advice and insight of City staff and various external stakeholders, such as local civic organizations and interested government agencies (i.e., County, State).

**City Charter.** Pursuant to Article XII of the Minnesota Constitution and Minnesota Statute § 410, the City operates as a charter or "home rule" municipality and may exercise any powers and authorities established by the City Charter, assuming the same do not conflict with State or Federal law. As such, the City Charter defines the structure of the City, and the framework under which it operates. The City Charter addresses the structure of the City Council; the powers and duties of the City Manager; development of the budget; the authority to establish taxes and fees; and the operation of public utilities, among other areas.

Consistent with the abovementioned constitutional provisions and State law, the City Council also receives advice and guidance pertaining to the City Charter from a Charter Commission. The Charter Commission regularly reviews the City Charter and makes recommendations for amendments as may be required from time-to-time. The Charter Commission consists of 15 members and meets at least once per year.

**City Council.** The City Charter creates a City Council-City Manager form of local government. Pursuant to City Charter § 2.01.2, "All discretionary powers of the City, both legislative and executive, shall vest in and be exercised by the City Council. It shall have complete control over the City administration but shall exercise this control exclusively through the City Manager and shall not itself attempt to perform any administrative duties." It also establishes the City Council as a five-member, non-partisan body, including a Mayor and four Councilmembers. The Mayor serves as the presiding officer of the City Council, may vote as a full member of the body and does not enjoy any veto powers. Figure No. 8 summarizes the elected officials of the City and their respective offices and terms.

**Figure No. 8: Mayor and City Council**

<b>Position</b>	<b>Name</b>	<b>Start of Term</b>	<b>End of Term</b>
Mayor	Scott Lund	January 1, 2021	December 31, 2024
Councilmember, At-Large	David Ostwald	January 1, 2021	December 31, 2024
Councilmember, Ward No. 1	Thomas Tillberry	January 1, 2019	December 31, 2026
Councilmember, Ward No. 2	Ryan Evanson	January 1, 2019	December 31, 2026
Councilmember, Ward No. 3	Ann Bolkcom	January 1, 2019	December 31, 2026

Consistent with the City Charter, the Mayor and the Councilmember-at-Large shall be elected in the same interval as the President of the United States of America to a term of four years. The other three Councilmembers shall be elected in the same interval as Governor of the State of Minnesota, also to a four-year term. The City Charter also controls for vacancies in the City Council and similar circumstances.

**City Manager.** Pursuant to City Charter § 6.01, the City Manager serves as the Chief Administrative Officer of the City, shall be appointed by a simple majority of the City Council for an indefinite period in an at-will capacity. The City Manager need not be a resident of the City but must be a citizen of the United States of America. The City Manager also serves as the Executive Director of the Housing and Redevelopment Authority (HRA). In 2013, the City Council appointed Walter T. Wysopal as City Manager.

The City Charter, in a variety of chapters and sections, outlines various responsibilities and powers of the City Manager, including, but not limited to:

- To ensure the enforcement of all applicable laws, ordinances and resolutions of the City and City Council;
- To appoint and remove any and all City employees;
- To exercise control over all City affairs through the various departments and divisions of the City;
- To prepare the annual budget and supervise all contracts and purchases of the City;
- To keep the City Council advised of the financial condition of the City; and
- To recommend for adoption any such actions or measures for the welfare of the City and its residents, including the City budget.

**Advisory Commissions.** In addition to the advice and insight of the City Manager and other staff, the City Council also relies upon several standing, advisory commissions and/or committees as it may establish by ordinance or other action. As of December 31, 2024, the City Council maintains the Advisory Commissions as outlined in Figure No. 9, which may be found on the next page. Each of the commissions meet on a regular basis and their members serve without compensation, except for the reimbursement of eligible expenses.

**Figure No. 9: Advisory Commissions**

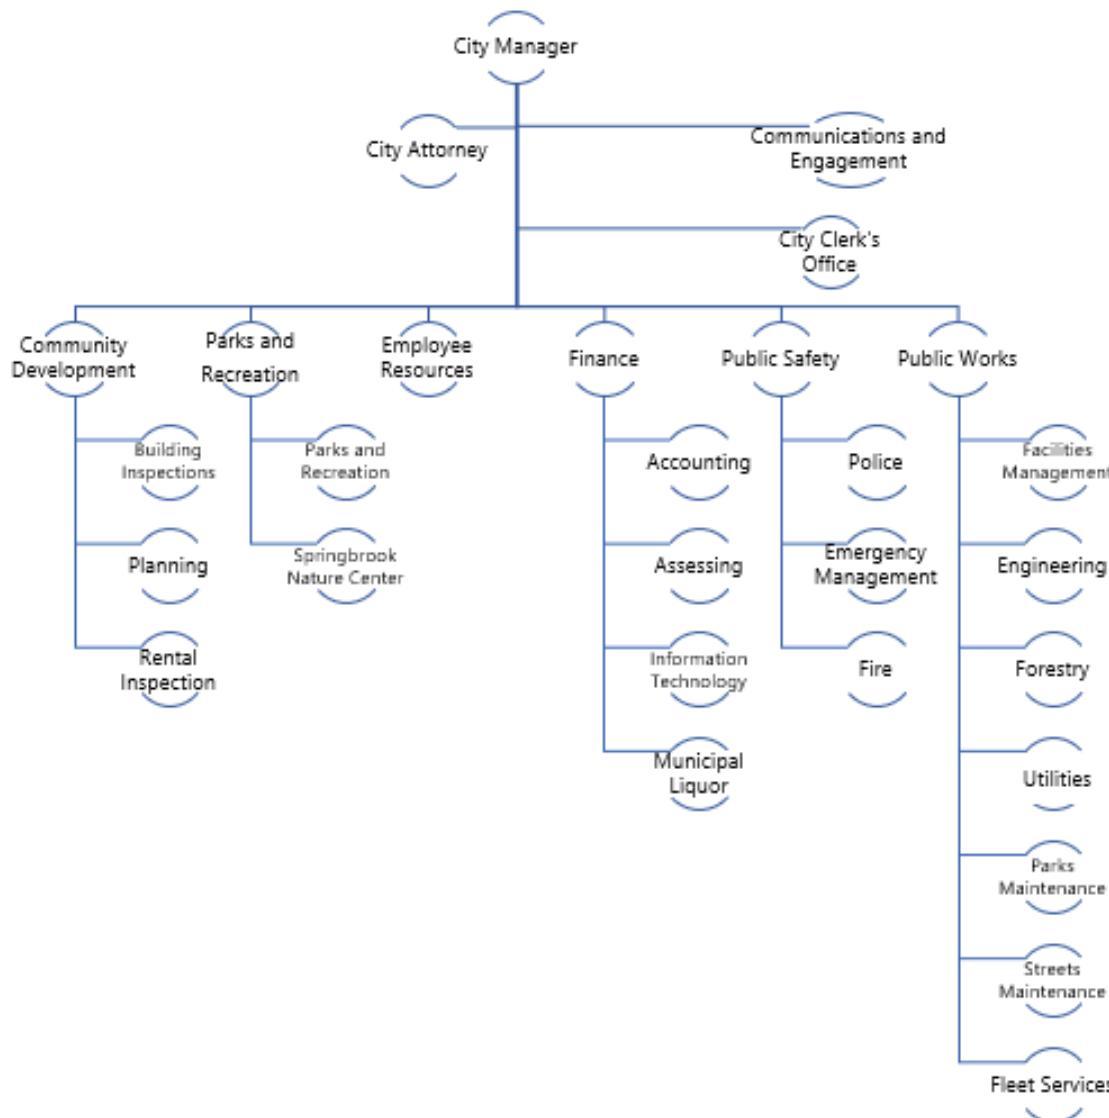

<b>Commission</b>	<b>Description</b>
<b>Planning Commission</b> Seven Members Three-Year Term	The Planning Commission is responsible for community planning and development of comprehensive goals and policies, including but not limited to land use, housing, public services, human services, and other related community activities. It also makes recommendations on amendments to the zoning ordinance, special use permits, and subdivision requests.
<b>Environmental Quality and Energy Commission (EQEC)</b> Seven Members Three-Year Term	The EQEC advises the City Council on a broad range of environmental policies and programs and the management of environmental resources. It provides the City Council with accurate information to assist in making and implementing sound environmental policy in such areas as solid waste abatement programming, environmental education, waste reduction and water resource management.
<b>Parks and Recreation Commission</b> Five Members Three-Year Term	The Parks and Recreation Commission provides for the comprehensive development of park facilities and recreational activities for the well-being of the City residents. It recommends actions to enhance the park and recreation opportunities in Fridley and provides direction for related City goals and policies.
<b>Public Arts Commission</b> Seven Members Three-Year Term	The Committee is Advisory to the City Council and sees its mission as advising Council on matters of Public Art: ... <i>Dedicated to fostering a sense of belonging, sparking dialogue and inspiring innovation through the strategic integration of art into our urban fabric, enhancing the quality of life for all residents and visitors.</i>
<b>Housing and Redevelopment Authority</b> Five Members Five-Year Term	The HRA implements housing rehabilitation programs and redevelopment projects that create new housing opportunities to meet local housing needs. It also administers programs that are designed to enlarge the tax base, create jobs and create vital, attractive businesses in blighted or underdeveloped areas of the City. It also administers any Tax Increment Financing (TIF) Districts established in the City.

Due to its activities and significant financial resources, the City recognizes the HRA as a component unit for accounting and budget purposes. As such, the HRA Board of Commissioners adopts a separate budget and property tax levy independent of the City budget, but subject to the authority of the City Council. Therefore, this budget document does not establish any budget authority, nor does it contain additional financial information, for the HRA or its associated activities and/or projects. However, it may from time-to-time address budget authority for cost-sharing arrangements between the City and the HRA.

The remainder of this page was intentionally left blank.

**Organizational Structure.** Per the direction of the City Manager, and as ratified by the City Council as of September 26, 2019, the City maintains the organizational structure outlined in Figure No. 10.

**Figure No. 10: Organizational Structure**

## **Financial Policies and Procedures**

Along with determining the manner of presentation for the budget, the City Charter also establishes the protocol for the passage and enforcement of the budget. Most notably, City Charter § 7.07 stipulates the process for amending a duly adopted annual budget, specifically "the [City] Council shall not have power to increase the amounts therein fixed in the budget resolution, whether by the insertion of new items or otherwise, beyond the estimated revenues, unless the actual receipts shall exceed such estimates, and in that event, not beyond such actual receipts. The [City] Council may at any time, by resolution passed by a vote of at least four (4) members of the [City] Council, reduce the sums appropriated for any purpose by the budget resolution or authorize the transfer of sums from the unexpended balances of the budget to other purposes." The City Charter also makes provisions for emergency appropriations, which may not exceed more than 10% of the total budget for those funds as identified by the City Manager.

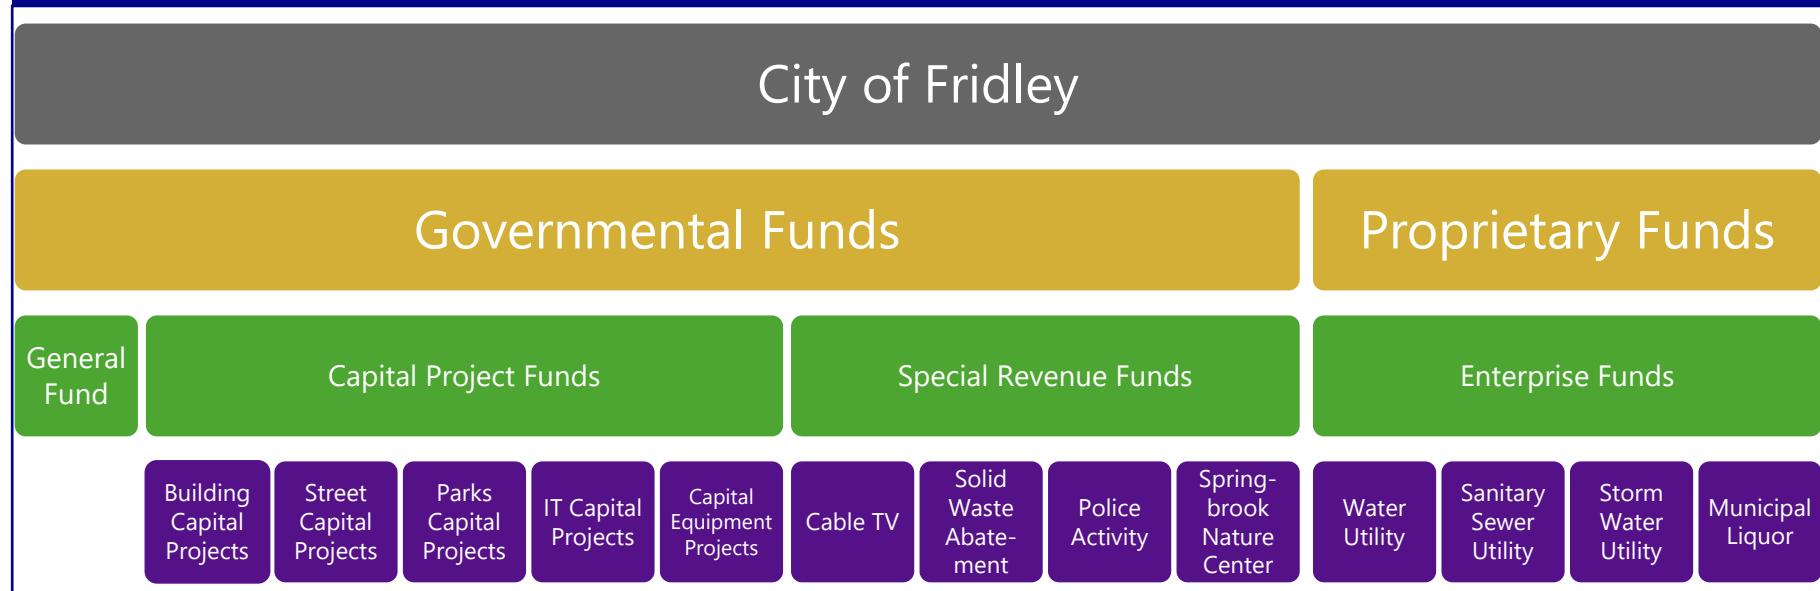

In addition to applicable City Charter, State and Federal regulations, the City maintains a series of ordinances, policies and procedures that guide and underpin the budget development process, including, but not limited to:

- Capital Investment Program Policy;
- Community Investment Fund Policy;
- Debt Management Policy;
- Fund Balance Policy;
- Investment Policy;
- Operating Budget Policy;
- Public Purpose Expenditure Policy;
- Public Utilities Revenue and Remittance Policy;
- Revenue Policy; and
- Self-Insurance Fund Policy.

In general, these policies and procedures are adopted as a single Financial Management Policy Manual (Manual). Due to its length, the manual is included in Volume 2 of this document.

**Budgeted Funds and Structure.** Consistent with the City Charter § 7.04, the City Manager must prepare the annual budget estimates for all funds as identified by the City Manager as requiring annual budget estimates. Figure No. 9 identifies those funds with budget estimates as prepared at the direction of the City Manager. It also identifies the internal structure of those funds.

**Figure No. 11: Budgeted Fund Structure**

City Charter § 7.04 also stipulates the structure of the budget estimates and their presentation, including comparative figures for the current budget year and actual figures for the two preceding fiscal years by organizational unit. Additionally, the section requires the budget estimates to be expressed in their major subdivisions: salaries and wages; ordinary expenses (expenditures); and capital outlay. The budget estimates included in each of the volumes that comprise this budget document are designed to fulfill this requirement.

Additionally, Figure No. 12 outlines the primary fund structure for the various departments and divisions as authorized by the City Council as of September 26, 2019.

**Figure No. 12: Fund Structure by Department and Division**

Department/Division	Primary Fund	Department/Division	Primary Fund
<b>Legislative Department</b>		Police Forfeiture	Forfeiture
City Council	General	<b>Public Works Department</b>	
<b>City Management Department</b>		Facilities Management	General

Police	General	Storm Water Utility Administration	Storm Water Utility
Emergency Management	General	Municipal Liquor	Municipal Liquor
Fire	General		
Police Activity	Police Activity		

**Basis of Accounting and Budgeting.** Governmental funds are budgeted and accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Reported fund balance is considered a measure of "available spendable resources." Governmental fund operating statements represent increases (i.e., revenues, other financing sources) and decreases (i.e., expenditures, other financing uses) in net current assets.

Proprietary funds are budgeted and accounted for on a flow of economic resources measurement focus. This means that all assets, including fixed assets, and all liabilities, including long-term liabilities, associated with their activity are included on their balance sheets. Their reported fund equity is segregated into contributed capital and retained earnings components. Proprietary fund type operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net total assets. Proprietary funds are accounted for using the accrual basis of accounting. Revenues are recognized when earned, and expenses are recorded at the time the liabilities are incurred.

Governmental and fiduciary funds are budgeted and accounted for using the modified accrual basis of accounting. Their revenues are recognized when susceptible to accrual (i.e., when they become measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible with the current period or soon enough thereafter to be used to pay liabilities of the current period.

Major revenues that are susceptible to accrual include property taxes (excluding delinquent taxes received over 60 days after year-end), special assessments, intergovernmental revenues, charges for services, and interest on investments. Major revenues that are not susceptible to accrual include fees and miscellaneous revenues; such revenues are recorded only as received because they are not measurable until collected. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred, except for principal and interest on general long-term debt, which is recognized when due.

**Budget Development Process.** To ensure appropriate analysis and review for the City Council and staff, the City adheres to the following budget development schedule.

<b>Figure No. 13: 2025 Budget Development Process</b>	
March	<ul style="list-style-type: none"><li>• Information Technology (IT) and CIP Request Forms Completed</li></ul>
April	<ul style="list-style-type: none"><li>• 2025 Budget Outlook and Objectives Workshop with City Council</li></ul>

## Budget Assumptions and Considerations

As part of the budget development process, the City makes a variety of assumptions regarding several factors or variables. Generally, these assumptions and other considerations include estimates or projections about compensation adjustments, economic conditions, inflationary pressures, insurance costs and non-property tax levy revenues, among other factors.

Per the direction of the City Council, the City relies upon a conservative budget model. As a general rule, the City normally budgets for slightly less than anticipated revenues and slightly more than anticipated expenditures. The model tends to eliminate unanticipated budget variances and prevent budget "holes." As such, the City makes limited modifications to external funding sources or revenues and alters anticipated expenditures using a three-year rolling average with adjustments based on specific needs identified by the City Council and/or City Manager. Figure No. 14 outlines a few of the assumptions used to form the annual budget.

Figure No. 14: Major Budget Assumptions, Expenditures (Selected)		
Category	Adjustment	Comments
Salaries/Wages (not including step movement)	3.0%	For all City staff; per collective bargaining agreements.
Health Insurance	12.0%	Per current figures received from vendor.
Worker's Compensation Insurance	10.0%	In anticipation of renewal cost, received LMC budget guide.
Property/Casualty Insurance	10.0%	In anticipation of renewal cost, received LMC budget guide.
MCES Sanitary Sewer Utility Charge	6.63%	Based on amount received from Met Council.

Along with these assumptions, the annual budget remains consistent with the previous actions of the City Council and/or City Manager. Specifically, it relies upon guidance from various plans, including, but not limited to, the 2040 Comprehensive Plan, Focus of Fridley Strategic Plan, Active Transportation Plan, Americans with Disabilities Act (ADA) Transition Plan, Pavement Management Plan, and the University Avenue and Trunk Highway 65 Corridor Development Study. In addition to these plans and studies, the City Council or City Manager may execute agreements and/or contracts that also inform budget development, such as collective bargaining agreements, fringe benefit contracts, property leases and software maintenance agreements.

Figure No. 15, on the next page, outlines the various revenue assumptions for the 2025 Budget. Generally, these revenue assumptions reflect adjustment to previous estimates based on market conditions and information known as of this date.

Figure No. 15: Major Budget Assumptions, Revenues (Selected)		
Category	Adjustment	Comments
Property Taxes (proposed tax levy)	7.68%	Proposed, certified tax levy
Licenses and Permits	9.14%	Per trend and average redevelopment activity
Intergovernmental	7.46%	Primarily Local Affordable Housing Aid (transferred to HRA)
Charges for Service	9.61%	Primarily School Resource Officers (SROs), Public Safety security services and administrative charges/interfund chargebacks

The 2025 Budget assumes a period of conservatively modest economic growth while keeping in mind the impacts of inflation and corresponding policy action. As mentioned, inflation has generally slowed, albeit much more prolonged, making the possibility of further federal funds rate decreases a possibility. While federal funds rate decreases can stimulate economic growth, they can have a negative impact on City revenues with lower investment rate earnings. Conservative revenue projections are included in this proposal to align with conservative growth projections of the economy.

## Property Tax

In Minnesota, property tax administration typically occurs at the county-level of government with assistance from the Minnesota Department of Revenue. Although most counties provide property assessment services for their respective municipalities and townships, the City provides a local or City Assessor to determine the market value of every property within Fridley. The City opted for this model due to its considerable commercial/industrial property tax base.

Per Minnesota Statute § 275.065, all home rule and statutory cities must certify a Property Tax Levy to their respective county auditor on or before five working days after December 20 in each year. For the City, the Property Tax Levy supports four separate budget areas: 1) General Fund; 2) Information Technology (IT) Capital Equipment Fund; 3) Springbrook Nature Center (SNC) Fund; and 4) various debt service funds.

**Process.** Generally, the process for determining the property tax against any property begins with determining its estimated market value or the value of property as if it were sold in the open market under competitive circumstances. Per State law, the acceptable sales ratio of purchase price to assessed value must be 90% to 105%.

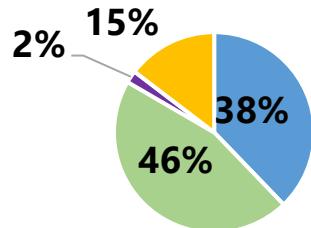

Along with assessed or market value, each parcel receives a property class. These property classes correspond to Class Rates, which affect the amount of property tax assessable against each type of property. For example, the Class Rate for commercial/industrial properties is 2.0%, whereas the class rate for residential homestead property is 1.0%. Applying the Class Rate to the estimated assessed or market value determines the tax capacity of the individual parcel, and the aggregate of all property within the community may be referred to as the Net Tax Capacity.

To calculate the property tax for a particular property, the City and/or county must determine the Property Tax Rate, or the Property Tax Levy as determined by the City Council as a fixed amount of money, divided by the Net Tax Capacity. By multiplying the Property Tax Rate by Class Rate by the estimated assessed or market value, the City and/or county determine the actual property tax payable by a given parcel subject to property tax. Pursuant to Minnesota Statute § 272.02, certain uses, such as places of worship or institutions of public charity, may be exempt from property taxes. Additionally, State law also permits certain valuation exclusions for property tax purposes, most notably for residential homesteads.

Along with this form of property taxation, the State also allows for market value property tax referenda, a property tax against the assessed or market value of a property based on a rate established by State law or a local referendum. In Fridley, the City determines the property tax levy for the Springbrook Nature Center in this manner. Therefore, in order to determine the property taxes payable in any given year for a parcel, the City and/or county needs to perform both calculations based on net tax capacity and market value referenda. In addition to these property tax calculations, the City remains subject to the Fiscal Disparities Program, or a property tax base sharing program among the seven-county metropolitan area concerning commercial/industrial properties. The Fiscal Disparities Program is quite complex and beyond the scope of this budget document.

**Analysis.** After performing the various property tax calculations, the City may determine its Net Tax Capacity and other pertinent property tax information. Figure No. 16, on the next page, describes the Net Tax Capacity for Fridley. Unlike other municipalities, the property tax base for the City is disproportionately commercial/industrial. In Minnesota, the average municipality would be between 30% and 40% commercial/industrial, making the City somewhat more sensitive to certain shifts in the economy. The figure also shows the shifting in tax base for 2025, with Commercial/Industrial and Residential Non-homestead (apartment, multi-family, etc.) encompassing more of the total tax capacity and Residential Homestead encompassing less.

### Net Tax Capacity by Classification – Payable 2024

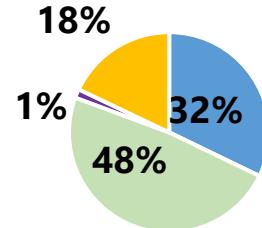

■ Residential Homestead

■ Commercial/Industrial

■ Railroad/Public Utility

■ Residential, Non-Homestead

### Net Tax Capacity by Classification – Payable 2025

■ Residential Homestead

■ Commercial/Industrial

■ Railroad/Public Utility

■ Residential, Non-Homestead

### Property Taxes Payable for 2024

Median Value Homestead: \$284,700

### Property Taxes Payable for 2025

Median Value Homestead: \$288,900

Property Tax Levy History and Detail					
Levy Component	2022	2023	2024	2025P	24-25 Change %
General Fund	13,682,908	13,844,706	14,950,600	16,098,360	7.68%
IT Capital Projects Fund	68,477	73,955	79,872	86,261	8.00%
SNC Fund	461,429	498,343	538,211	581,268	8.00%
Bonded Indebtedness (2017A & 2022A)	3,179,256	5,203,866	5,009,116	4,911,706	-1.94%
Totals	17,392,071	19,620,870	20,577,799	21,677,595	5.34%

Based on this change, the estimated City property taxes for a residential homestead with a median assessed value of \$288,900 for 2025 (compared to approximately \$284,700 for 2024) will increase by approximately \$24, from about \$1,197 for 2024 to approximately \$1,221 for 2025. These projections are based on property tax estimates and may be subject to change upon the release of audited property tax information by the County.

City Property Taxes Payable (Residential Homestead)				
Payable Year	Levy Change	Median Value	Est. City Taxes	Change (\$) vs. PY
2021	4.85%	234,000	1,014	60
2022	2.97%	247,200	1,051	37
2023	12.82%	288,300	1,223	172
2024	4.88%	284,700	1,197	(26)
2025P	5.34%	288,900	1,221	24

## Debt Service

Like many local governments, the City finances some of its capital projects with debt. Generally, the process a municipality uses to borrow money may be referred to as "bonding," named for the most common type of indebtedness used by local governments. In its simplest terms, a municipal bond is a loan from a bond holder (i.e., investor) to the City (i.e., issuer or borrower) with an agreement to repay the loan over a fixed period with interest at certain intervals, usually semi-annually. The City services \$73,355,000 in outstanding debt. In total, the City will levy \$4,911,706 in property taxes to service outstanding debt in 2024 (collectible in 2025); the City does not plan to issue any debt as part of the 2025 Budget. Figure No. 18 outlines the debt service profile for the City.

Figure No. 18: Outstanding Debt Service, December 31, 2024			
Series	Type	Outstanding Principal	Maturity
2016A	General Obligation, Utility Revenue	1,870,000	2031
2017A	General Obligation, Capital Improvement	40,245,000	2042
2019A	General Obligation, Tax Increment	9,510,000	2035
2020A	General Obligation, Tax Increment	1,680,000	2026
2022A	General Obligation, Tax Abatement	20,730,000	2038
<b>Total</b>		<b>\$74,035,000</b>	

Using this debt service and market value for property taxes payable in 2024 of \$4,378,541,100, the City currently maintains a total debt-to-market value ratio of approximately 1.68%. When excluding debt supported by utility revenues and tax increment, the total debt-to-market value ratio decreases to 1.37%. Assuming an estimated population of 29,590 in 2020, the per capita debt for the former is approximately \$2,479 and about \$2,028 for the latter; both amounts, and ratios are sustainable for the community. As of December 31, 2024, the City maintains an Aa2, or the third highest, credit rating from Moody's Investors Service, Inc.

In Minnesota, several sections of State law, as well as various Federal regulations, control the issuance, repayment and limits related to these, and other types of financial obligations applicable to municipalities. While most of these regulations are too complex for this budget document, the City regularly monitors its debt limit as controlled by Minnesota Statute § 475.53, which limits so-called statutory debt to not more than three percent of the estimated market value of a municipality. Figure No. 19 addresses this limit as well as the statutory debt reserve established by administrative policy of the City Manager.

<b>Figure No. 19: Statutory Debt Limit, as of December 31, 2024</b>		
<b>Criteria</b>	<b>Action</b>	<b>Value</b>
Estimated Market Value	n/a	\$4,378,541,100
Estimated Debt Limit (per Minnesota Statute § 475.53)	Multiply	3.0%
Statutory Debt Limit	Subtotal	\$131,356,233
General Obligation Debt, Paid Solely from Property Taxes (excludes Tax Abatement as not part of debt limit)	Subtract	\$40,245,000
<b>Unused Statutory Debt Limit</b>	<b>Total</b>	<b>\$91,111,233</b>
Statutory Debt Reserve	Subtract	\$20,000,000
<b>Remaining Statutory Debt Limit</b>	<b>Total</b>	<b>\$71,111,233</b>

# GENERAL FUND

---

This section of the 2025 Budget provides information regarding the following departments and their respective divisions as supported by the General Fund:

- Summary;
- Legislative Department;
- City Management Department;
- Employee Resources Department;
- Finance Department;
- Public Safety Department;
- Public Works Department;
- Parks & Recreation; and
- Community Development Department.

## General Fund Summary

The 2025 Budget for the General Fund authorizes \$24,293,300 of expenditures, an increase of about \$1,497,900 or 7.3%, compared to the previous fiscal year. As outlined below, the 2025 Budget supports these expenditures with \$24,293,300 of revenues, resulting in the same increase as expenditures from the previous fiscal year. Based on the budget authority for 2025, the General Fund accounts for about 39.0% and 31.7% of all budgeted revenues and expenditures, respectively.

**General Fund Summary**

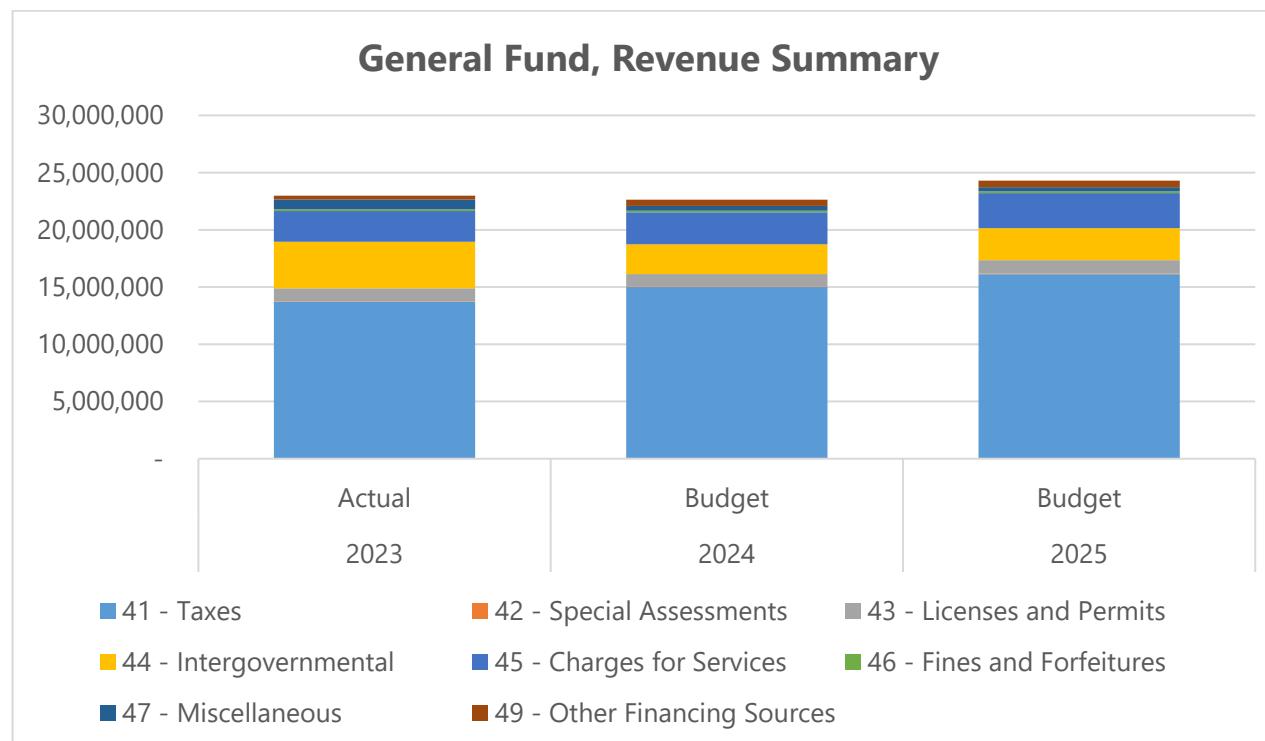

<b>Revenues</b>	<b>2023</b>	<b>2024</b>	<b>2025</b>	<b>2026</b>	<b>2027</b>
	<b>Actual</b>	<b>Budget</b>	<b>Budget</b>	<b>Forecast</b>	<b>Forecast</b>

62 - Supplies	1,018,729	923,700	940,600	969,400	997,800
63 - Other Services & Charges	3,687,417	4,140,200	4,115,500	4,248,300	4,366,200
99 - Other Financing Uses	-	-	163,500	163,500	163,500
<b>Total Expenditures</b>	<b>\$ 20,941,440</b>	<b>\$ 22,639,700</b>	<b>\$ 24,293,300</b>	<b>\$ 25,258,800</b>	<b>\$ 26,087,600</b>
<b>Net Property Tax Supported</b>	<b>\$ 2,037,975</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>
<b>Fund Balance</b>	<b>\$ 12,885,793</b>	<b>\$ 10,847,818</b>	<b>\$ 10,847,818</b>	<b>\$ 10,847,818</b>	<b>\$ 10,847,818</b>
<b>Change in Fund Balance</b>	<b>\$ 2,037,975</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>

**2026/2027 Forecast Assumptions:**

- 4% Increase for Charges for Services Revenue
- 4% Increase for Personnel Services Expenditures (includes wages, benefits and worker's compensation insurance)
- 3% Increase for Supplies Expenditures
- 3% Increase for Other Services & Charges Expenditures

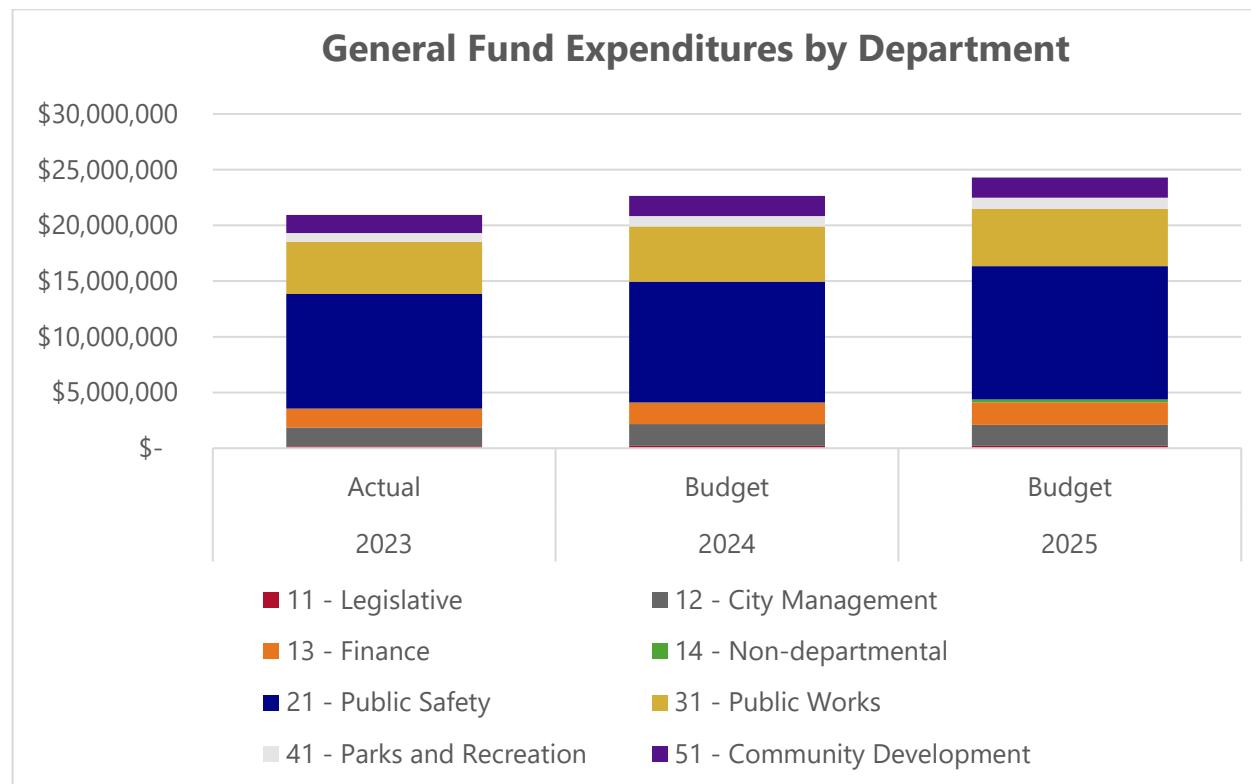

**General Fund Revenue.** The General Fund receives a variety of revenues to support City operations, including charges-for-service, intergovernmental aid, licenses and permits, and property taxes among other funding sources. Like most other municipalities, the property tax levy comprises most of the General Fund revenue. For 2025, property taxes represent about 66.4% of all revenues received by the fund. In total, the property tax levy for the General Fund totals about \$16,098,300 in 2025, an increase of about \$1,147,700 or 7.7% compared to the previous fiscal year.

The 2025 Budget also assumes other changes to various revenue sources, including a \$269,100 increase in charges for services, primarily for revenues received from the school resource officer contracts, security services provided by public safety and administrative charges/interfund chargebacks. There is also a \$193,300 increase in intergovernmental aid, primary for local affordable housing aid received, which is then transferred to the HRA for carryout the applicable housing programs. For 2025, General Fund revenues total \$24,293,300, an increase of \$1,653,600 compared to the Adopted 2024 Budget.

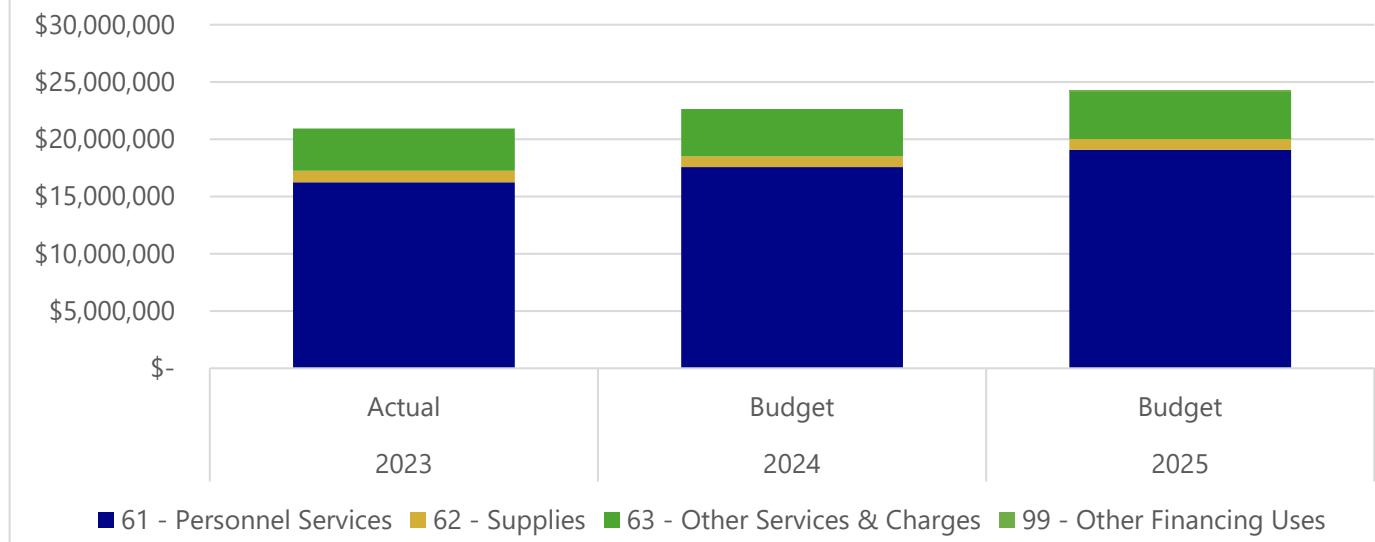

**General Fund Expenditures.** Consistent with previous years, the Public Safety Department continues to account for the plurality of General Fund expenditures accounting for about 49.2% of all budget authority in 2025, followed by Public Works Department at about 21.2% with all other departments accounting for about 29.6% of the expenditures for the General Fund. Figure No. 21 below outlines this breakdown in greater detail.

Like previous years, Personnel Services account 78.51% of all General Fund expenditures and Other Services and Charges comprises about 16.9%, with the remaining balance supporting Supplies and Other Finance Uses. As part of the 2025 Budget, Personnel Services, which includes salaries and benefits, increased approximately \$1,497,900, or 7.85% compared to the previous fiscal year, due to approved and anticipated market rate increases from negotiations of four Public Safety labor agreements, proposed progression through the City's compensation plan for union and non-union employees, an anticipated worker's compensation premium increase and a health insurance premium increase. For 2025, General Fund expenditures totaled \$24,293,300, an increase of about \$1,653,600 compared to the Adopted 2024 Budget.

## General Fund, Expenditure Summary

This page was intentionally left blank.

**Areas of Responsibility.** The City Council sets policy for the City within guidelines of the City Charter and provides administrative directives through the City Manager. The City Council has two regular meetings scheduled each month for the purposes of setting policy and other official business. Four commissions provide advice to the City Council: Charter, Planning, Parks and Recreation, Public Arts and Environmental Quality and Energy Commissions. The Charter Commission is a semi-autonomous body charged with reviewing the City Charter; members are appointed by the Chief District Judge.

## **Department: City Management Summary**

City Manager: Walter Wysopal

**Description.** The City Management Department, also referred to generally as the City Manager's Office, provides administrative and executive oversight for all City activities and projects. Specifically, the department includes the following divisions:

- City Management (also known as the City Manager's Office);
- Communications and Engagement;
- Legal (City Attorney's Office);
- Non-Departmental;
- Elections;
- City Clerk

For operational and leadership purposes, Employee Resources functions as a standalone department despite being located within the City Manager's Office (CMO). For strategic leadership purposes, it is served by a department-level position to reflect the organizational-wide responsibilities. It is structured as a division for budgetary purposes due to the number of financial resources under its oversight and control and is located within a grouping of similar sized functional areas within the CMO.

**2024 Update.** The City Management Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

### Communications and Engagement:

- The Division continued to innovate and improve the City government's internal communications tools.
- The Division released a Request for Proposals to outsource the City's recording and production of public meetings. A service agreement with North Metro Television was executed and the vendor is successfully performing the service.
- The Division began the process of updating the City's website, which launched in the fall of 2024. A resident-first perspective was taken when analyzing the site's content and structure, built off of community feedback and testing. The Division worked with each department to review every page to prioritize plain language and essential information.
- The Division coordinated the 2024 Resident survey, results of which help inform the legislative priorities of the City Council and operational procedures of departments.
- The Division orchestrated several valuable outreach events, such as the City Open House, Night to Unite, City-wide garage sales, and Conversations with the Council. It also provided support to other departments for their community engagement work.
- The Division crafted, implemented and trained staff on the City's Language Access Plan.

City Clerk:

- The Division continued to manage the City's recodification project by updating the Public Nuisance and Lands and Buildings titles.
- The Division successfully completed an update to the City's Data Practices Policy and authored a generative artificial intelligence (AI) policy.
- The Division led the City's business licensing renewal process, ensuring cross-departmental coordination and customer satisfaction.
- 

Elections:

- There were three elections in 2024, all of which were successfully completed.
- The Division hired and trained over 120 Election Judges to administer voting at the City's 10 precincts.

Employee Resources:

- Employee Resources launched a training and development program called EMERGE. This innovative leadership development program provides a comprehensive platform for personal and professional growth, developing and improving leadership and core soft skills that are necessary to navigate the challenges of leadership in our dynamic organization. The group has met for full day, immersive development sessions, completed individual tasks and assignments and participated in regular mentor/mentee sessions.
- Employee Resources continues to focus on legislation passed by the Minnesota House and Senate, including laws related to paid sick and safe leave, paid family leave, labor relations, and adult use cannabis to ensure the city stays compliant and makes necessary adjustments as the legislature makes revisions.
- Employee Resources reviewed and revised the seasonal handbooks for public works and recreation, as well as the handbook for the liquor store staff. Additionally, policies were reviewed, revised, or created to address changing legislation or enhanced use of technology, including generative AI and electronic document routing.

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

Communications and Engagement:

- The Division will hire and onboard a new Communications Specialist position, which will help the Division expand its service offering to departments and improve the efficiency of existing processes and services.
- The Division will coordinate with Public Safety on expanded emergency communication strategies.
- The Division will lead the innovation of the City's external communication tools such as FridleyMN.gov, the Performance Measures Report, Quarterly Public Safety Update, promotional emails and social media presence, PAFR and others.

- The Division will lead the innovation of the City's internal communication tools such as the Annual Report, Inside Fridley, SharePoint and streamlined calendaring.
- The Division will support Citywide events through pre-event strategy and planning, event promotions, photography, etc.

#### City Clerk

- The Division will continue to lead the charge on recodifying the City Code with the goal of completing the Licensing, Franchises, Utilities and Rights-of-Way and the Public Ways and Places titles. The Division will lead the work being done to the Licensing title of the Code to re-write many of the chapters and related business processes for licensing administration.
- The Division will lead an update the City's agenda management system and implement a project management software to support organization-wide project initiatives.
- The Division will facilitate the City's regulatory obligations to the emerging cannabis-related legislation by the State.
- The Division will implement a new Records Management Program to help support data practices

#### Elections

- 2025 will be an off year for elections in the City unless the need for a special election arises.

#### Employee Resources

- Employee Resources will continue to monitor legislation that enacts new or revised laws that impact employees, such as paid family leave, earned sick and safe time, labor relations rules and processes, MNOSHA standards, and notification requirements.
- In preparation of changing workforce demographics, including the expected retirements of the last of the "Baby Boomer" generation, more focus will be placed on workforce planning. This includes identifying key tasks and ensuring there is a continuity plan in place in the event the primary employee is unavailable. Additionally, reviewing organizational architecture to identify potential avenues for succession planning will be prioritized.
- The external labor market is expected to continue to place pressure on wages for staff. Employee Resources will monitor the market while also focusing on other benefits and workplace culture initiatives that improve retention.
- Lastly, our leadership development program targeting emerging leaders in the organization will enter its second year with a new cohort. The success of the program this past year has led to the decision to grow the program in this next year, leading to the chance develop and hone the leadership skills of more employees within the organization.

## Division: City Management (City Manager's Office) (121)

Manager: Walter Wysopal

**Areas of Responsibility.** The City Manager provides general administrative supervision for all City departments. This role includes review and approval of budgets, employee and labor management, and the development of policy recommendations for the City Council. The City Manager's Office also prepares City Council agendas and has responsibility for communication with staff, the City Council, the general public and other governmental agencies.

**Division: Legal (City Attorney's Office) (124)**

Manager: Walter Wysopal

**Areas of Responsibility.** The City Attorney's Office provides legal counsel to the City Council and City staff on legal issues or questions and prosecutes criminal offenses. At present, two separate entities provide these services: 1) Kennedy and Graven, Chartered, for civil affairs; and 2) City of Coon Rapids, for criminal affairs. Kennedy and Graven, Chartered attends City Council meetings, provides legal opinions, and aids in the development of ordinances and resolutions. The City of Coon Rapids prosecutes criminal offenses on behalf of the City.

## Division: Employee Resources (126)

Director: Becca Hellegers

**Areas of Responsibility.** The Employee Resources Divisions supports and maintains the human resources of the City. It addresses all human resources matters of the organization, including: compensation analysis; employee recruitment and retention; employee benefits; labor relations and negotiations; personnel regulation and policy compliance; and workforce development. The Employee Resources Division also works closely with the Accounting Division in support of payroll administration.

## Division: Communications and Engagement (127)

Manager: Melissa Moore

**Areas of Responsibility.** The Marketing and Communications Division supports the marketing and promotional efforts of the City, including: media relations; municipal liquor store marketing; newsletter production; social media management; special events and programs; and video production. Financially, the costs of its activities are shared with the Cable Television Fund (225).

## Division: City Clerk/Records Management (City Clerk's Office) (128)

Manager: Melissa Moore

**Areas of Responsibility.** The City Clerk's Office supervises the City's records management program and document imaging system; Minnesota Government Data Practices Act compliance; and the Elections Division. It also maintains the City Code and City Charter, monitors local and state legislation, provide research and analysis services, draft city ordinances, resolutions, policies and procedures, and provide general information to public officials, general public and city personnel on various regulations. The City Clerk's Office also serves as the staff liaison to the City Charter Commission.

## Division: Elections (129)

Manager: Melissa Moore

**Areas of Responsibility.** The Elections Division administers elections and works to minimize any delays experienced by voters. It also serves as an important impartial authority for encouraging voter registration, for recruiting and assigning election judges, assisting in the accuracy of the voting equipment, counting of ballots and the certification of elections results and petitions.

## Division: Non-Departmental (141)

Manager: Walter Wysopal

**Areas of Responsibility.** Established in 1990, the Non-Departmental Division accounts for those revenues and expenditures that are not easily allocated to more specific departments and/or divisions within the General Fund. Additionally, the division accounts for all property tax revenue received by the General Fund.

## **Department: Finance Summary**

Director: Joe Starks

**Description.** As an internal service department, the Finance Department provides advice, guidance and financial services for all other departments and divisions of the City. Additionally, the Department supervises the activities of the Municipal Liquor Division, which may be reviewed in greater detail in the Enterprise Fund section of this budget document. In addition to supervising the Municipal Liquor Division, the department includes the following divisions:

- Accounting;
- Assessing;
- Information Technology;

**2024 Update.** The Finance Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

- Creating resiliency with backup coverage in multiple areas. Started succession planning for the department.
- Accounting - Successfully created and distributed transparent, readily accessible and understandable easily understood financial reports that led to receiving three awards: the Certificate of Achievement for Excellence in Financial Reporting, Popular Annual Financial Reporting Award and the Distinguished Budget Presentation Award. Focused on professional development, which included the Assistant Finance Director being selected for the national GFOA Treasury and Investment Management Committee.
- IT - Upgraded virtual infrastructure, rolled out new active threat detection and response system and enhanced system monitoring and started quarterly staff technical training.

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

- Continued contingency planning to ensure there is backup coverage in all areas. Continue fraud awareness and protection efforts City-wide. Continue succession planning for the department. Ensuring department's software best meets our needs.
- Liquor – Continue to use upgraded security video system at Store #1 to ensure employee safety and gather evidence for the Fridley Police to prosecute and deter criminal activity within the store, analyzing current store locations against possible relocation and store sites within the City in order to maximize liquor operations profitability and monitoring the legalization of marijuana and its impact on liquor sales.

- Assessing – year-round PT staffing, continue pursuit of paperless processes for future data collection in the field with mobile devices and continued efforts to negotiate the best outcomes in defense of property tax petitions.
- IT – continue strengthening cybersecurity with tabletops and exploring zero trust, upgrade server and network infrastructure, focus on business continuity, disaster recovery, incident response planning, and provide ongoing staff training.
- Accounting – implementing paperless purchasing card system, streamline payment processing internally and continue to provide transparent, readily accessible and understandable financial reporting. Revisiting the City's customer service area (front desk, utility billing) to ensure it's a centralized process.

## Division: Accounting (131)

Manager: Korrie Johnson

**Areas of Responsibility.** The Accounting Division administers, supervises and plans for all the City's financial activities. These activities include: financial reporting; utility billing and collections; accounts payable and revenue collections; investments management; debt management; risk management; grant management; payroll processing; and budget preparation. It provides financial information to the City Council and City staff. The Accounting Division also provides financial management services for the Fridley Housing and Redevelopment Authority (HRA) and supervises the "front desk" of the Fridley Civic Campus.

## Division: Assessing (City Assessor's Office) (132)

Manager: Patrick Maghrak

**Areas of Responsibility.** The City Assessor's Office implements various property tax and valuation related statutes of the State of Minnesota (State) as they apply to the City. It classifies all taxable property and determines the appraised value of all real estate within the City. The division also assists with special assessment, development review and other special projects, as assigned.

## Division: Information Technology (133)

Manager: Mike Grundman

**Areas of Responsibility.** The Information Technology Division provides information system support, networking support and application development for all City departments. It also coordinates the City's use of information technology through long-range planning, policy development and facilitates communication between the City and its citizens through development of the website and other information resources or tools.

## **Department: Public Safety Summary**

Director: Ryan George

**Description.** Established in 2018, the Public Safety Department supervises all public safety and emergency response activities and programs for the City. In addition to the Police Activity Fund (outlined in another section of the budget as a Special Revenue Fund), the department includes the following divisions:

- Police;
- Emergency Management; and
- Fire.

**2024 Update.** The Public Safety Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

### Fire Division

- Integration of 2 FTE firefighters has been instrumental in addressing staffing challenges and addressing consistency and accountability.
- Delivery of Engine 1 as well as Rescue 3 and Rescue 6 have been successful and are now in service.
- Recruitment and Retention continue to be a top priority and require more staff time and resources than ever before.
- Inspections and Community Health are excellent. Outreach and Training continue to improve with more opportunity.

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

### Fire Division

- The top priority of the Fire Division in 2025 is the addition of an FTE Full-time firefighter (the 3<sup>rd</sup> of 3 to fill 24-hour shifts). This addition not only addresses ongoing staffing challenges but helps in communication across all shifts and provide accountability to paid, on-call staff. As recruitment and retention continue to be the top challenge, the addition of full-time staff solidifies positions and can reduce the burden of hiring additional paid on call members. The existing full-time firefighter have taken on administrative duties such as: common area inspection, smoke alarm installations, maintenance, outreach, and many more. The primary administrative duty for the third firefighter is expected to be oversight of all training.

## Division: Police (211)

Manager: Ryan George

**Areas of Responsibility.** The Police Division promotes the safety of the City by partnering with the community to preserve life and protect property. It provides professional police services, including: law enforcement; crime investigation and prevention; apprehension of violators; and medical emergency response. The Police Division collaborates with the community through a school resources officer and other programs. Members of the Division also serve on various groups, such as the Anoka-Hennepin Narcotics and Violent Crimes Taskforce. In its efforts to address the needs of the City, the Police Division places an emphasis on community partnerships.

## Division: Emergency Management (215)

Manager: Ryan George

**Areas of Responsibility.** The Emergency Management Division plans and implements the response to local, regional and national emergencies on behalf of the City and in accordance with applicable guidelines or regulations. In addition to maintaining the Emergency Operations Center, the Division trains personnel for emergencies, supports a team of volunteer reserves and maintains the outdoor emergency warning sirens.

## Division: Fire (219)

Manager: Maddison Zikmund

**Areas of Responsibility.** The Fire Division provides emergency response and management for all hazards, including: fires, medical emergencies; rescues; and accidental releases of dangerous materials. It also conducts building and building plan inspections for fire code compliance. The Fire Division also supports a variety of community programs, such as the annual fire prevention training in local elementary schools. It offers 24-hour services through a team of full-time and paid-on-call firefighters. The Fire Division staff also serves on various interagency taskforces (e.g., Minnesota State Chemical Assessment Team for the North Metro). It operates two fire stations.

## **Department: Public Works Summary**

Director: James Kosluchar

### **Description.**

The Public Works Department is responsible for engineering, design and maintenance of City streets, sidewalks, parks, water, sanitary and storm water utility systems, City Hall and City Garage, and maintenance of equipment. Technical support in the form of surveys, drafting, research and utility location is provided by Engineering for the development of improvements plans, construction and safety programs for the City. The department includes the following divisions:

- Facilities Management;
- Engineering;
- Street Lighting;
- Parks Maintenance;
- Utilities;
- Street Maintenance; and
- Fleet Services.

**2024 Update.** The Public Works Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

- Department-wide: Review of Department policies, succession planning. Updating training and safety programs.
- Facilities: Additional services to new park building, working to provide support services Citywide. Planning for future staffing upon completion of Commons Park building. Added integration of security systems for facilities.
- Engineering: Large projects continue including Commons Park, University corridor projects, and joint projects with Anoka County. Seeking funding opportunities with Anoka County and MnDOT. Leading implementation of Parks Master Plan improvements. Working on updates to engineering standards and related ordinances.
- Street Lighting: Updating plans for retrofit or abandonment of decorative streetlights on 57<sup>th</sup> Ave and Osborne Road. Plans completed, and construction awarded for the University Lighting project.
- Forestry: EAB and hazardous tree process streamlined with new equipment and updated GIS, administering private grant for removal of trees impacted by EAB.
- Parks Maintenance: Improving all trail/walk access year-round (incl. non-City routes); aid Parks Implementation Plan.
- Street Maintenance: Long-range planning on streets and trails citywide ongoing.
- Fleet Services: Initiating a review of real-time diagnostics for and stabilize the schedule for leased vehicles.

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

- Department-wide: Succession plan implementation will begin. Training and safety programs for new staff.
- Facilities: Services for new park buildings. Planning for future staffing upon completion of Commons Park building. Comprehensive evaluation of control / security system upgrades. Solar addition to Moore Lake Park.
- Engineering: Safe Street planning will occur, and we will continue seeking funding opportunities with Anoka County and MnDOT as corridor improvements are fully identified. Planning and design of 73<sup>rd</sup> Avenue Corridor will be re-initiated. Leading implementation of Parks Master Plan improvements. Working to enhance division processes and procedures.
- Street Lighting: Administer construction of the University Lighting project, planning for City decorative lighting.
- Forestry: More private tree inspections and activity, administering private grant for removal of trees impacted by EAB. Re-evaluate and update EAB plan.
- Parks Maintenance: Complete planning to improve snow and ice response on trails/walks; establish new maintenance practices for park improvements.
- Street Maintenance: Identify jurisdictional changes to current City streets.
- Fleet Services: Optimize the schedule for leased vehicles and implement pooling.

## Division: Engineering (314)

Manager: Brandon Brodhag

**Areas of Responsibility.** The Engineering Division develops plans, sets specifications and determines estimates for capital improvement projects and programs. It is also responsible for the design and construction of streets, sanitary sewer collection systems, storm water facilities, and water treatment and distribution systems. The Engineering Division also maintains records on various projects in the City (i.e., "as-built"), and utility service locations. Also, the GIS Geographic Information System (GIS) functions are housed in the Engineering Division and maintain the mapping and graphics systems for the City.

<b>Revenues</b>	<b>2023 Actual</b>	<b>2024 Budget</b>	<b>2025 Budget</b>	<b>2026 Forecast</b>	<b>2027 Forecast</b>

## Division: Forestry (315)

Manager: Jeff Jensen

**Areas of Responsibility.** The Forestry Division provides for the health of the trees and other foliage of the City. Generally, it provides for maintenance of trees located in parks, streets and other areas either owned or operated by the City, including removal, replacement, planting, trimming and inspection services. The Forestry Division also provides for the removal and replacement of private trees consistent with tree replacement programming.

## Division: Park Maintenance (316)

Manager: Jeff Jensen

**Areas of Responsibility.** The Park Maintenance Division plans, designs, constructs and maintains both the active and passive areas of the Park System in coordination with the Parks and Recreation Division. It also supports the activities of the Parks and Recreation Commission and assists with community celebrations and festivals.

## Division: Street Maintenance (318)

Manager: Jeff Jensen

**Areas of Responsibility.** The Street Maintenance Division performs the necessary tasks to reduce the depreciation and wear of City streets. It also strives to maintain the desirable standards of appearance, serviceability and safety, which includes street sweeping, repair of street surfaces, and snow and/or ice prevention and removal.

## Division: Fleet Services (319)

Manager: Kelly Odenthal

**Areas of Responsibility.** The Fleet Services Division provides for the maintenance and upkeep of all City-owned equipment and vehicles, including dump trucks, fire trucks, lawnmowers, passenger vehicles, pick-up trucks, squad cars and sport utility vehicles. It may also refer certain activities and repairs to external organizations, as need or required by warranty.

## **Department: Parks & Recreation**

Director: Mike Maher

**Description.** Recreation engages the community in a variety of year-round activities and events. In addition to supervising the Springbrook Nature Center (outlined in another section of the budget as a Special Revenue Fund), the department includes the following divisions:

- Parks and Recreation.

**2023 Update.** The Parks & Recreation Department made significant progress on several of the goals and objectives outlined in the Adopted 2023 Budget.

- Deer management was very successful with the fully permitted number of 30 deer being removed from Fridley.
- Having two interns has been very helpful to expand programming. Mondays at Moore Lake, Moore Lake Grand Opening, Rec and Roll, Adventure and Preschool Camps are all new or expanded programs
- Facility rental income has exceeded budgeted numbers, largely from Moore Lake Community Building and Locke Park
- Thus far, the City has been able to offer rentals without a designated staff member on site unless requested for an additional fee
- Staffing at Springbrook has been strong in 2024 with excellent candidates and several returning seasonal staff members
- Day camp revenues at Springbrook Nature Center has exceed budget to offset increases in seasonal wage rates

**2024 Other Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

### Recreation

- We expect to hold steady in 2025 with no new budget requests and to focus on program

and process improvement from increases and new facilities in 2024 such as Moore Lake Park and Locke Park

- Planning will be underway in 2025 for opening of a new facility (2026) and signature park at Commons and additional administrative and program staff may be requested to staff the facility and manage reservations
- May look to fill void in community for arts education after North Suburban Center for the Arts closing

### Springbrook Nature Center

- The Springbrook Interpretive Center will be 9 years old and has been seeing an increase in maintenance and repair costs
- Donations continue to be less of a factor since the completion of capital expansion at Springbrook
- Opportunity to expand preschool programming

## Division: Parks & Recreation (410)

Manager: Margo Numedahl

**Areas of Responsibility.** The Parks & Recreation Division provides a wide variety of year-round leisure activities, which contribute toward the physical, social and emotional well-being of participants of all ages. It provides programs in the following areas: instructional recreation activities; competitive athletic leagues; fitness activities; special events; cultural arts; and outings. Beginning in 2020, this Parks & Recreation Division ceased operation of a Senior Center.

<b>Revenues</b>	<b>2023 Actual</b>	<b>2024 Budget</b>	<b>2025 Budget</b>	<b>2026 Forecast</b>	<b>2027 Forecast</b>

## **Department: Community Development**

Director: Scott Hickok

**Description.** The Community Development Department coordinates and plans for all the different real estate developments in the City including: commercial; industrial; and residential (both single family and multi-family homes). The department promotes commercial and industrial development to expand the job base with livable wage employment opportunities and to increase the tax base. In addition to serving as the primary staff liaison to the Housing and Redevelopment Authority (HRA), the Planning Commission and the Environmental Quality and Energy Commission, the department includes the following divisions:

- Building Inspections;
- Planning; and
- Rental Inspections.

**2024 Update.** The Community Development Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

### **Building Inspections**

- Continued contract relations with Electrical Inspector, adjusted fees to be consistent with fees in other cities where the inspector also works.
- Continued to create efficiencies and familiarize all building staff with full operational benefits of CitizenServe
- Continued training as required to maintain certification of inspectors and provide additional training to Permit Technician/License Coordinator

### **Planning**

- Continued re-write of the Zoning Code. Staff took a broader view by engaging the consulting services of HKGI to complete a portion of the tasks to provide the highest level of customer clarity. Both plain text and graphics will be used to aid in making the Code easy to read and interpret.
- Continued future planning efforts at Mississippi and Central
- Continued to refine and perfect Code Enforcement process and data collection efforts, relative to further improving neighborhood appearances.
- Public Art Task Force was formed after 2023 Public Engagement efforts. The Task force became a Public Arts Commission in Mid-2024. The first installment of a Public Art piece is anticipated by December 2024.

### **Rental Inspections**

- Brought CitizenServe on-line in March for all applications, letters, follow-up documentation, and financial data.
- Brought on two staff to replace to inspectors who retired early this year
- Modified 2 inspector positions from 32 hours/week, with benefits to 40 hours/week.

**2025 Other Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

#### Building Inspections

- Continued training as required to maintain certification of inspectors and provide additional training to Permit Technician/License Coordinator
- Continued contract relations with Electrical Inspector, adjusted fees to be consistent with fees in other cities where the inspector also works.

#### Planning

- The Development at Mississippi and Central will see activity this year as the HRA and City Council have agreed upon the product-type they would like to see in this location. Platting, will be required to prepare the area for redevelopment and establishment of a Tax Increment District
- Work will continue with the Public Arts Commission to prepare a Public Arts Policy and Comprehensive Plan for future art placement and City beautification. Coordination with the Fridley Creative Arts Non-Profit will help fund future Art Installations
- Work will continue the planning-side of the 57<sup>th</sup> Avenue Bridge project and associated work on Home Depot, Goodwill Site.
- The potential Platting of an additional pad site on the Home Depot Campus could occur with the Bridge area. Planning assistance will be critical.
- Potential assignments as necessary to facilitate transfer of Islands of Peace Park to County.

#### Rental Inspections

- Continue inspections on the schedules defined to assure new units are dovetailed into a 3-year inspection rotation. New buildings are inspected after one year, then on the 3-year rotation.
- Anticipated a new fee schedule for rental inspection to keep pace with the costs of running the inspection program
- Continue to perfect CitizenServe to meet needs of Rental Division

## Division: Building Inspections (511)

Manager: Tony DeForge

**Areas of Responsibility.** The Building Inspections Division enforces the building code and applicable ordinances within the City in order to prevent health and safety hazards. It also provides applicable information to homeowners and businesses and reviews building plans and provides coordination of inspections.

## Division: Planning (512)

Manager: Stacy Stromberg

**Areas of Responsibility.** The Planning Division oversees all land development activities and efforts in the City in compliance with the Comprehensive Plan. It also maintains compliance with ordinances related to public nuisances, subdivisions and zoning. The Planning Division serves as the liaison to the Planning Commission and the Environmental Quality and Energy Commission. It is also responsible for the administration of the various waste reduction programs provided by the City and partnering agencies.

## Division: Rental Inspections (514)

Manager: Paul Bolin

**Areas of Responsibility.** The Rental Inspections Division provides for the systematic inspection and licensing of all rental units located in the City. In doing so, it protects the health, safety and well-being of the Fridley community, and preserves valuable housing stock for current and future residents.

Revenues	2023 Actual	2024 Budget	2025 Budget	2026 Forecast	2027 Forecast

# SPECIAL REVENUE FUNDS

This section of the 2025 Budget provides information regarding the following departments and their respective divisions as supported by Special Revenue Funds:

- Summary;
- Cable Television Fund;
- Solid Water Abatement (i.e., Recycling) Fund;
- Police Activity Fund; and
- Springbrook Nature Center Fund.

## Summary

Special Revenue Funds are designed to account for the activities of a specific revenue source and are legally restricted for a specific purpose. At present, the City maintains budgeted funds for Cable Television, Solid Waste Abatement (i.e., recycling), Police Activity and the Springbrook Nature Center (SNC). The City budgets for these funds in a similar manner to the General Fund.

The 2025 Budget assumes a total of \$1,875,000 in Special Revenue Fund revenues, an increase of about \$16,400 or less than 1.0%, compared to the Adopted 2024 Budget, largely due to a recommended increase in the solid waste abatement fee for curbside recycling. Along with this increase, the 2025 Budget also includes about \$18,100 in additional expenditures, largely due to an increase in cost of the new curbside recycling contract in the Solid Waste Abatement Fund.

## Fund: Cable Television (225)

Department: Community Services and Employee Relations  
 Division: Communications and Engagement

City Manager: Wally Wysopal  
 Manager: Melissa Moore

**Areas of Responsibility.** The Cable TV Fund supports the Fridley Municipal Television Channel 17, website and social media programming as well as programming for Public Access Channel 15. All regular City Council meetings are broadcast live and for playback on Channel 17. Staff produce more than 90 programs a year. The Cable TV Fund also provides equipment necessary for the operations of Channel 17.

## Fund: Solid Waste Abatement (237)

Department: Community Development  
 Division: Recycling

Director: Scott Hickok  
 Coordinator: Rachel Workin

**Areas of Responsibility.** Established in 1991, the Solid Waste Abatement Fund supports various activities, including: curbside recycling; drop-off events to eliminate electronics and appliances; and marketing and educational activities. Generally, the Fund seeks to reduce or prevent items from entering the waste stream that may be handled in some other form or fashion.

## Fund: Police Activity (260)

Department: Public Safety  
Division: Police

Director: Ryan George  
Manager: Steve Monsrud

**Areas of Responsibility.** The Police Activity Fund receives grants and intergovernmental aid designed to support public safety activities. In most cases, the grants are provided on a reimbursement basis. However, in some situations, funds are provided in advance and expended on specific activities or projects. The Police Activity Fund supports the Public Safety Data System (PSDS) System, a county-wide data sharing service for public safety agencies. The City physically houses the personnel associated with the PSDS System.

## Fund: Springbrook Nature (270)

Department: Community Services and Employee Relations  
 Division: Springbrook Nature Center

Director: Mike Maher  
 Manager: Tara Rogness

**Areas of Responsibility.** The Springbrook Nature Center (SNC) Fund supports activities and programs related to the Springbrook Nature Center, a premier park and open space reserve. The fund also supports the maintenance and operation of the Interpretive Center, a multi-use facility that provides natural resources programming and classroom space. The SNC partners with local school districts and non-profits to provide a variety of educational opportunities. The entire park area may be explored by the general public.

# CAPITAL PROJECT FUNDS

This section of the 2024 Budget provides information regarding the following funds and their respective divisions as supported by Enterprise Funds:

- Summary;
- Building Capital Projects Fund
- Street Capital Projects Fund;
- Parks Capital Projects Fund;
- Information Technology Capital Projects Fund; and
- Equipment Capital Projects Fund.

For additional information and analysis regarding the 2025 Budget for the Capital Projects Funds, please refer to the 2025–2029 Capital Investment Program on the Finance page on the City's website. A summary of projects included in the 2025-2029 CIP is included in Volume 2.

## Summary

Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. Often these funds make use of fund balances to finance the sometimes-extraordinary cost of certain capital projects. At present, the City maintains budgeted funds for Buildings, Streets, Parks, Information Technology and Equipment.

The 2025 Budget includes a total of \$19,372,200 of Capital Projects Funds expenditures, an increase of about \$8,158,200, or about 72.8%, compared to the previous year. Generally, this increase may be attributed to the planned capital expenditures in the Streets Capital Projects Funds and planned Park System Improvement Plan. For the Streets Capital Projects Fund, the City plans to complete two major capital projects: 2025 Street Rehabilitation Project, with plans to spend approximately \$1,120,000, and the University Avenue Lighting Improvements Project, with plans to spend \$2,200,000. Additionally, the City will be finishing design for the 57<sup>th</sup> Avenue Bridge project, planning to spend \$2,350,000 in design funded with state bonding. For the Parks Capital Projects Fund the City plans to spend approximately \$7,325,000 related to the approved Park System Improvement Plan. Consistent with City Council guidance, the City may ultimately expend about \$30,000,000 on park system related capital projects over an approximate 8-year period which began in 2023.

## Fund: Building Capital Projects (405)

Department: Public Works

Director: James Kosluchar

The Building Capital Projects Fund accounts for funds accumulated for the acquisition, construction, improvement and/or major repairs of public buildings, including: the Fridley Civic Campus (i.e., City Hall, Police Station, Fire Station No. 1); the Public Works Building; and other municipal buildings that may not be otherwise supported by other Capital Project Funds. The City may also use the fund to finance the acquisition of real estate for the City and its component units.

## Fund: Streets Capital Projects (406)

Department: Public Works

Director: James Kosluchar

The Street Capital Projects Fund accounts for funds accumulated for the acquisition, construction, improvement and/or major repairs of transportation infrastructure, including: curb and gutter; bridges; sidewalks; streets; streetlights; traffic signals and signage; and trails. The City may expend funds on such facilities under its jurisdiction or in partnership with an area agency controlling similar assets within the City.

## Fund: Parks Capital Projects (407)

Department: Public Works/Community Services and Employee Resources

Director: James Kosluchar/Mike Maher

The Parks Capital Projects Fund accounts for funds accumulated for the acquisition, construction, improvement and/or major repairs of parks and open spaces maintained by the City, including: community and neighborhood parks; playground and recreation equipment; recreation facilities; trails located in and around park units; and related activities.

## Fund: Information Technology Capital Projects (409)

Department: Finance

Director: Joe Starks

The Information Technology (IT) Capital Projects Fund accounts for funds accumulated for the acquisition, expansion, improvement, replacement and/or major repairs of IT resources and systems, including: computers; enterprise-level or major software; networking equipment; servers; and other significant hardware. The IT Capital Projects Fund may not support ongoing IT costs or operations, such as licensing and maintenance fees.

## Fund: Equipment Capital Projects Fund (410)

Department: Finance

Director: Joe Starks

The Equipment Capital Projects Fund, also known as the Capital Equipment Program (CEP) accounts for funds accumulated for the acquisition, replacement and/or major repairs of larger or more expensive equipment, including: public works and public safety vehicles and equipment; parks and landscaping equipment; and other major equipment needs as determined by the City Manager and City Council.

# ENTERPRISE FUNDS

This section of the 2025 Budget provides information regarding the following funds and their respective divisions as supported by Enterprise Funds:

- Summary;
- Water Utility Fund;
- Sanitary Sewer Utility Fund;
- Storm Water Utility Fund; and
- Municipal Liquor Fund.

For additional information and analysis regarding the various capital projects for Enterprise Funds, please refer to the 2025–2029 CIP, found on the Finance page within the City's website. A summary of projects included in the 2025–2029 CIP is included in Volume 2.

## Summary

Enterprise Funds are funds designed to account for proprietary activities in which fees or rates are charged to external users for goods or services. At present, the City maintains such funds for Water Utility, Sanitary Sewer Utility, Storm Water Utility and Municipal Liquor. For these funds, the City prepares a five-year budget projection for each fund and determines the appropriate fees and rates for end users. Additionally, the City regularly engages third-party consultants to review fund activities to ensure proper fund management and adequate financial resources. Ideally, these funds are self-sustaining, supporting both their operating and capital project needs.

The 2025 Budget includes a total of \$30,891,400 of Enterprise Fund expenses, an increase of about \$5,397,800, or about 21.2%, compared to the previous year. Generally, this change may be attributed to an increase in capital outlay expenditures, which are increasing \$5,533,000 or 111.7%.

## **Fund: Water Utility Fund**

Department: Public Works

Director: James Kosluchar

**Areas of Responsibility.** The Water Utility Fund provides for the treatment, distribution, and metering of safe drinking water to properties within the City. The fund also maintains water pressure and fire hydrants used for fire suppression throughout the City. Additionally, the fund supports the cost of all debt service associated with capital improvements for the water utility.

**2024 Update.** The Public Works Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

- Design for Locke Park WTP upgrade to address PFAS, began planning work on Tower 1 replacement plan, and planning for Commons Park WTP site. The Water Operations Division continued to work on funding for Locke Park WTP upgrade to address PFAS.
- Remaining ARPA funds were committed.

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

- Construction of Locke Park WTP upgrade to address PFAS, planning for Commons Park WTP.

## **Fund: Sanitary Sewer Utility Fund**

Department: Public Works

Director: James Kosluchar

**Areas of Responsibility.** The Sanitary Sewer Utility Fund provides for maintenance of trunk and collector sanitary sewer systems and sanitary sewer lift stations maintained by the City. The fund also provides support for wastewater treatment in concert with the Metropolitan Council. Additionally, the fund supports the cost of all debt service associated with capital improvements for the utility.

**2024 Update.** The Public Works Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

- Cooperative work with MCES on Phase 1 Inflow/Infiltration study is being worked on.
- Remaining ARPA funds were committed.

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

- Replace Apex Lift Station, Cooperative work with MCES on Inflow/Infiltration study.

<b>Revenues</b>	<b>2023 Actual</b>	<b>2024 Budget</b>	<b>2025 Budget</b>	<b>2026 Forecast</b>	<b>2027 Forecast</b>

## Fund: Storm Water Utility Fund

Department: Public Works

Director: James Kosluchar

**Areas of Responsibility.** The Storm Water Utility Fund provides for maintenance of trunk and collector storm water systems maintained by the City. The fund also establishes and maintains improvements and programs provided to meet storm water quality objectives as established by the Metropolitan Council and other agencies. Additionally, the fund supports the cost of all debt service associated with capital improvements for the utility.

**2024 Update.** The Public Works Department made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

- Concluding work on operating procedures and ordinances with regard to new MS4 permit, developing an upgraded asset inventory and maintenance program.
- Remaining ARPA funds were committed.

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

- Storm Water Operations: Evaluate operations capabilities; requests for funding of additional TMDL projects.

## **Fund: Municipal Liquor**

Department: Finance

Director: Joe Starks

**Areas of Responsibility.** Established in 1949, the Municipal Liquor operation consists of two retail locations with annual sales in excess of \$6,000,000 annually, with a portion of the net profits benefiting the General Fund and the Equipment Capital Projects Fund. Generally, the fund “pours its profits” back into the City and alleviates the property tax burden on businesses and residents of the community. The fund contains two divisions – one for each store.

**2024 Update.** The Finance Department and Municipal Liquor Division made significant progress on several of the goals and objectives outlined in the Adopted 2024 Budget.

- Continued analysis of liquor store enterprise and long-term options for Store #1 & Store #2, increased number of applications for open liquor store positions, implemented sick and safe time to part-time employees

**2025 Significant Issues and Priorities.** Along with the trends, there are several other significant issues or priorities, including but not limited to those mentioned below.

- Continue to use upgraded security video system at Store #1 to ensure employee safety and gather evidence for the Fridley Police to prosecute and deter criminal activity within the store, analyzing current store locations against possible relocation and store sites within the City in order to maximize liquor operations profitability and monitoring the legalization of marijuana and its impact on liquor sales.

Division: Store No. 1

Manager: Kyle Birkholz

# GLOSSARY

---

**Accounting System.** The total structure of records and procedures which record, classify, summarize, and report information on the financial position and results of operations of a government or any of its funds, fund types, balanced account groups, or organizational components.

**Accounts Payable.** A liability account reflecting amounts on an open account owing to private persons or organizations for goods and services received by a government.

**Accounts Receivable.** An asset account reflecting amounts owing on an open account from private persons or organizations for goods and services furnished by a government.

**Accrual Basis of Accounting.** Method of accounting that recognizes the financial effect of transactions, events, and interfund activity when they occur, regardless of the timing of the related cash flows.

**Adopted Budget.** Refers to the budget amounts as originally approved by the city council at the beginning of the year and also to budget document which consolidates all beginning-of - the-year operating appropriations and new capital project appropriations.

**American Rescue Plan Act (ARPA).** Funds delivered through the Coronavirus State and Local Fiscal Recovery Funds (SLRF) to state and local governments across the country to support their response to and recovery from the COVID-19 public health emergency.

**Appropriation.** An authorization made by the legislative body of a government, which permits officials to incur obligations against and to make expenditures of governmental resources. Appropriations are usually made for fixed amounts and are typically granted for a one-year period.

**Assessed Valuation.** Valuation that a government sets on real estate or other property as a basis for levying taxes. Tax-exempt property is excluded from the assessable base.

**Assets.** Property and equipment owned by a government which has monetary value.

**Audit.** An audit is a systemic examination and evaluation of an organization's financial records, conducted by an independent party, to determine whether the financial statements accurately reflect the organization's financial position and compliance with relevant account standards.

**Balanced Budget.** A budget in which the sources of funds (revenues) are equal to the uses (expenditures).

**Basis of Accounting.** The technical term that describes the criteria governing the timing of the recognition of transactions and events.

**Bonds.** A written promise to pay a specified sum of money called principal at specified dates, including interest at a designated time. Bonds are typically used for long-term debt.

**Budget.** A financial operations plan of Final or adopted expenditures for a given period and the Final or adopted revenues to finance them.

**Capital Investment Program (CIP).** A plan for capital expenditures to be incurred each year for a fixed period of years and the estimated resources to finance the projected expenditures.

**Capital Outlay or Expenditure.** Expenditures which result in the acquisition of or addition to fixed assets which have a value of \$10,000 or more and have a useful life of more than one year.

**Capital Project.** The largely one-time cost for acquisition construction, improvement, replacement, or renovation of land, structures and improvements thereon.

**Capital Project Fund.** Fund type used to account for financial resources that are restricted, committed, or assigned to expenditures for capital outlays including the acquisition or construction of capital facilities and other capital assets.

**Component Unit.** A legally separate organization for which the City is financially accountable.

**Current Assets.** Those assets which are available or can be made readily available to finance current operations or to pay current liabilities.

**Current Liabilities.** Liabilities which are payable within one year.

**Debt.** An obligation resulting from the borrowing of money or the purchase of goods or services.

**Debt Service Fund.** Governmental fund type used to account for accumulations of resources that are restricted, committed, or assigned to expenditure for principal and interest.

**Deficit.** An excess of expenditures over revenues, a loss in business operations.

**Depreciation.** In accounting for depreciation, the cost of a fixed asset, less any salvage value is prorated over the estimated service life of such an asset, and each period is charged with a portion of such cost. Through this process, the entire cost of the asset is ultimately charged off as an expense.

**Division.** A major organization unit within a department. Usually, divisions are responsible for carrying out a major component of the department.

**Encumbrance.** Commitments related to unperformed (executor) contracts for goods or services.

**Enterprise Fund.** Proprietary fund type used to report an activity for which a fee is charged to external users for goods or services.

**Expenditure/Expense.** Where accounts are kept on the modified accrual or accrual basis of accounting, the cost of goods received, or services rendered.

**Fee.** A general term used for any fixed charge levied by the government associated with providing a service permitting an activity or imposing a fine or penalty. Major types of fees include business and non-business licenses, fines, and user charges.

**Fiscal Disparities.** A revenue sharing program comprised of local government units within the Twin Cities Metropolitan area. Under this program a portion of growth in commercial, industrial, and public utility property value of each community is contributed to a tax base sharing pool. Each community receives a distribution of property value from the pool based on market value and population of each city.

**Fiscal Year.** The twelve-month period to which the annual budget applies and at the end of which the City determines its financial position. The City's fiscal year is January 1st to December 31st.

**Fixed Asset.** Long-term tangible assets which are "fixed" in nature, such as building, land, and equipment.

**Fund.** An accounting entity with a self-balancing set of accounts in which assets, liabilities, and equity are recorded for a specific activity or objective.

**Fund Balance.** Net position of a governmental fund (difference between assets, liabilities, deferred outflow of resources, and deferred inflows of resources).

**Governmental Accounting Standards Board (GASB).** The authoritative accounting and financial reporting standard-setting body for state and local governments.

**Government Finance Officers Association (GFOA).** An organization that represents public finance officials in the United States and Canada.

**General Fund.** One of the five governmental fund types. The general fund typically serves as the chief operating fund of a government. The general fund is used to account for all financial resources not accounted for in some other fund.

**General Obligation (GO) Bonds.** Bonds that are backed by the full faith and credit of the City.

**Goal.** A statement of direction, purpose, or intent that describes the future state of condition or result to achieve.

**Governmental Funds.** Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, debt service funds, capital project funds, and permanent funds.

**Grant.** A contribution of assets (usually cash) by one governmental unit or other organization to another. Typically, these contributions are made to local governments from the state and federal governments.

**Housing and Redevelopment Authority (HRA) of the City of Fridley.** The HRA was formed by the City to provide housing and redevelopment assistance to Richfield citizens and businesses.

**Infrastructure.** Long-lived capital assets that normally are stationary in nature and normally can be preserved for a significantly greater number of years than most capital assets.

**Intergovernmental Aid.** Revenues from other governments in the form of grants, entitlements or shared revenues.

**Internal Service Fund.** Proprietary fund type that may be used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost-reimbursement basis.

**Investment.** Securities permitted by law are purchased and held for the production of income in the form of interest.

**Liquidity.** The amount of time that is expected to elapse until an asset is realized or otherwise converted into cash or until a liability must be paid.

**Local Government Aid (LGA).** An aid program consisting of sales and income revenues collected by the State of Minnesota and redistributed to local governments to reduce local property tax burdens.

**Market Value.** The value determined by the County Assessor for real estate or property used for levying taxes.

**Modified Accrual Basis.** The basis of accounting which recognizes increases and decreases in financial resources only to the extent that they reflect near-term inflows or outflows of cash. Revenues are recognized to the degree that they are available to finance expenditures of the fiscal period. Similarly, debt service payments and a number of specific accrued liabilities are only recognized as expenditures when payment is due because it is only at that time that they normally are liquidated with expendable available financial resources.

**Municipal State Aid (MSA).** An aid program consisting of gas tax revenues collected by the State of Minnesota redistributed to local governments for road improvements.

**Objective.** An achievement that can be attained only if the attempts are made in a particular direction.

**Program.** A group of activities, operations, or operational units directed to attain a specific purpose or objective.

**Project.** A temporary endeavor with a beginning and an end and it must be used to create a unique product, service or result.

**Final Budget.** The recommended city budget submitted by the city manager to the city council.

**Proprietary Fund.** Funds that focus on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. There are two types of proprietary funds: enterprise funds and internal service funds.

**Reserves.** Funds set aside for unanticipated expenditures or unforeseen emergencies, as well as to have adequate working capital for current operating needs to avoid short-term borrowing.

**Retained Earnings.** The amount of money an entity has left over after spending within a year. It is the amount by which an entity's assets are greater than its liabilities.

**Revenue.** Funds collected as income to offset operational expenditures including property taxes, charges for service, licenses and permits, etc.

**Special Assessment.** A levy made against a property to defray all, or part of the cost of a capital improvement or service deemed to benefit that property.

**Special Revenue Fund.** A fund established used to account for the proceeds of specific revenue sources that are legally restricted to expenditure for specified purposes.

**Tax Capacity Value.** The taxable portion of the market value which is based on classification rates determined by the type of property tax.

**Tax Capacity Rate.** The old "mill rate" derived in same manner mill rates were determined. Tax capacity rate is equal to levy divided by tax capacity (old, assessed value). New tax capacity rates will be expressed as percentages.

**Tax Increment Financing.** Financing secured by the anticipated incremental increase in tax revenues, resulting from the redevelopment of an area.

**Tax Levy.** The amount of property taxes levied to finance operations that are not funded by other services.

**Taxes.** Compulsory charges levied by a government to finance services performed for the common benefit.

**Working Capital.** The difference between current assets and current liabilities.

City of Fridley, MN
